HIGHLIGHTS

Greetings from FINISH LINE 2019!

Theoretical prowess, clinical accumen, crafty handwork & sharp oratory skills are indispensable for an exam going PG. Keeping this in mind, the Department of Conservative Dentistry and Endodontics, Sri Ramachandra Dental College, SRIHER in association with IACDE, in their decennial year have thoughtfully planned a three day comprehensive Rapid Review program. Day 1 and 2 focuses on theory topics in Conservative Dentistry and Endodontics in a methodical and objective format while day 3 delivers a step by step run through of how to ace the practical exam exercises.

A key component of the practical examination is the 'Viva Voce'. It is the summit that every PG must scale to leave a lasting impression on the examiners. To help the postgraduates prepare and boldly take on this 'Grand Viva Voce', an exciting and unique Blended Learning Session has been planned for the first time ever. Come all, let's Kahoot.

Let's all gear up for this academic extravaganza.
#An aid to master the Masters.
