Dr. N. Siddhartha
MBBS, MS (OB & GYN), M.Ch(Reproductive Medicine & Surgery
Assistant Professor

Area(s) of Specialization:
Obstetrics & Gynaecology, Reproductive Medicine & Surgery

Experience: 5 Years of Experience

Publications:

Correlation of Serum Estradiol Level on the day of Ovulation Trigger to Reproductive outcome of ICSI

Research:

- Sperm DNA Fragmentation by Tunel Assay in ICSI patients (Unpublished data) 2013 - 2015
- Chlamydia Trachomatis IgG Elisa in Infertile women (Unpublished data) 2009 - 2011

Academic:

Area of Interest:
Reproductive Endocrinology, Andrology, Clinical Embryology, Minimal Access Surgery, Reproductive Genetics

Paper Presentations

- Chetnat Andrology Colloquium (National) - Outcome of ICSI from surgically retrieved sperms
- Fem 2014 - Mumbai - Correlation of serum Estradiol on the day of ovulation trigger to reproductive outcome in ICSI
- Fertivision 2014 - Correlation of serum D3 FSH Levels on Reproductive outcome of ICSI
- ISAR 2015 - Correation of sperm DNA fragmentation index by tunel assay to reproductive outocme of ICSI
- ISAR 2016 - The role of karyotyping in men with severe male factor infertility prior to ICSI
- IFFS 2016 - Impact of adenomyosis on the outcome of ICSI
- ISAR 2017 - The impact of incorporation of raised serum progesterone on the day of ovulation trigger into the freeze-all policy on the outcome of ICSI-fresh embryo transfer cycles

Poster Presentation

- ISAR 2014 - Outcome of ICSI from surgically retrieved sperms
- TRENDO 2017 - Estimation of macroprolactin in hyperprolactinemia

Case Presentation in Conference

- OGSSI 2013 - An unusual outcome of ovulation induction
- OGSSI 2014 - Heterotopic pregnancy

Lecture in Conference/CME

- OGSSI Midyear conference - June 2015 - Video tips in management of ectopiv pregnancy
- TAPISAR 2016 - DNA fragmentation index
- FOCUS Dec, 2016- M.Ch .Reproductive Medicine & Surgery
- MADRAS MEDICAL MISSION Annual conference 2017 - FERTILITY PRESERVATION - Established methods & acceptable methods in clinical practice
- Faculty for IVF certificate course organized by SRMC - SMART-CART - Feb 2017, June 2017

Panelist in CME/conference

- TAPISAR PG CME 2015 - Infertility case scenarios
- TAPISAR CME 2016 - Infertility case scenarios
- YUVA ISAR Dec-2016, Cochin - Role of clinician in IVF lab
- TAPISAR STATE CME 2017 - Infertility case scenarios
- MMM hospital CME, May 2017 - Female Genital tract anomalies
