

## **Conferences / Continuing Medical Education (CME) – Past 5 years**

- Organised CME on Pharmacovigilance & ADR reporting on April 2017 at KIMS.
- **Participated in revised Basic Course Workshop & AETCOM module training on Dec 2017 at CMC vellore.**
- Organised Work shop on zebrafish a Promising model on March 2018 at KIMS.
- Delegate in National workshop on GCP 2018 at Chengalpattu medical college
- Organised CME on Recent advances in management of Drug addiction on Sep 2018 at KIMS.
- **Participated in Curriculum Implementation Support Programme & ATCOM module training on Feb 2019 at CMC vellore**
- Organised National Workshop on GCP at KIMS on April 2019.
- Resource person in CISP Workshop for in house faculties at KIMS on May 2019.
- Participated in Curriculum Implementation Support Programme & AETCOM module training Phase 2 on FEB 2020 at SRMC,porur, Chennai
- Participated in Curriculum Implementation Support Programme & AETCOM module training Phase 2 on JUN 2020 at SRMC,porur,Chennai
- Completed the required online course of study for Competency Based Medical Education (Pharmacology) Between April 2020 to July 2020, MEU India (ONLINE)
- Participated and presented e paper titled "Effect of 3',4'-dihydroxy flavone on Paclitaxel induced chemotherapy in mice" for scientific session in "National conference IPCON 2021" which was held on 25.02.2021
- Completed Basic course in biomedical science (BCBS) with a consolidated score of 92% in April 2021 conducted by NPTEL, ICMR NIE( Online course)

## **Presentations as a Resource person/Guest speaker**

- Presented a paper titled “Selected bio-chemical and neuro-behavioural evaluation with *LeucasAspera* in Wistar albino rats” at Annual Conference of SRIPS, Nov-2009, Coimbatore, India
- Facilitator in Basic course workshop in Medical Education Technologies 2013- Delivered Lecture on Teaching and Learning Principles at SMMCH & RI
- Delivered Guest Lecture on “Role of Pharmacology in Dentistry” in Oct-2013 at National UG convention, Saveetha Dental College, Chennai
- Facilitator in Basic course workshop in Medical Education Technologies 2015 - Delivered Lecture on **MCQ & item analysis & OSPE/OSCE** at SMMCH & RI, Chennai.
- Organised CME on Study designs in clinical Research at SMMCH & RI on 26<sup>th</sup> Nov 2015
- Organised CME on Pharmacovigilance & ADR reporting on April 2017 at KIMS.
- Guest speaker on **Chemotherapy against gram positive and gram negative organisms** in ASPIRE 2018 at Sri Ramachandra University.
- Organised Work shop on zebrafish a Promising model on March 2018 at KIMS.
- Delivered lecture on **Ethics in Medical Research** in Research Methodology Work shop 2018 for Post Graduates, KIMS
- Facilitator in Foundation course for I MBBS and CRRRI orientation programme.
- Delivered lecture on **appropriate use of media and effective use of skill lab** in revised basic course work shop on April 2018 and in Microteaching workshop for Post graduates on Feb 2018.
- As a panelist on **National conference on Alternative to animal experimentation** – Pharmaltex 2018 on 12 OCT 2018 at Sri Balaji medical College
- Organised CME on Recent advances in management of Drug addiction on Sep 2018 at KIMS.

- Guest speaker on **Essential medicines and Rational use of medicines** in ASPIRE 2019 at Sri Ramachandra University.
- Organised National Workshop on GCP at KIMS on April 2019.
- Resource person in CISP Workshop for in house faculties at KIMS on May 2019.
- Resource person and panel moderator on **Career aspects for MD pharmacology in clinical pharmacology workshop** at SRMC on SEP 2019
- Resource person as organising secretary and delivered lecture on **Recent advances on CNS pharmacology in ASPIRE2020** at SRMC on FEB 2020
- Delivered lecture on Roles and Responsibilities of Institutional Ethics Committee (IEC), VIRTUAL CME On **“GOOD CLINICAL PRACTICE IN HUMAN RESEARCH** At Madurai medical college on NOV 2020
- Organising committee member for **webinar on overview of pharmacovigilance -Pivotal role of healthcare professionals in ADR reporting** at SRMC on NOV 2020
- Organising committee member for **PharmQuest** 2020 for undergraduates at SRMC on DEC 2020
- Member of Organising team and participated as judge and speaker on **protocol writing and on recent advances** on CNS pharmacology in ASPIRE2021 at SRMC on FEB 2021
- Paper presented on **Effect of 3', 4'-dihydroxy flavone on Paclitaxel induced peripheral neuropathy in mice** on Feb 25 th 2021 in National conference IPCON 21 at Surat Govt medical college.
- Participated as a speaker on **Methods of drug administration in experimental animals** in Add on course on basics of animal experimentation for undergraduates MBBS students at Dhanalakshmi Srinivasan medical college and Hospital, Trichy, TamilNadu on JUN 2021
- Participated as a speaker on **Multidisciplinary approach in protocol writing** at SreeBalaji medical college and Hospital, Chennai, TamilNadu on JULY 2021

- Participated as a speaker on **Pharmacological aspects of Treatment of COVID 19** in CME on COVIDOTHERAPY at ACS medical college and Hospital, Chennai, Tamil Nadu on AUG 2021
- Participated as a speaker on **OSPE/OSCE Concepts and Design in Pharmacology** at National online Learning series II (Pharmacology ) conducted by National Association of Pharmacology and Therapeutics on SEP 2021
- Paper presented on **Effect of 7, 3'-dihydroxy flavone on Paclitaxel induced peripheral neuropathy in mice** on April 13-16, 2022 in Annual National conference APPICON 2021-22
- Participated as a speaker on **Overview of GCP Guidelines and Role of Investigator in Clinical research** in CME on update on GCP & ADR reporting at Tagore medical college and Hospital, Chengalpattu , Tamil Nadu on May 2022
- Organising committee member for **PharmAware 2022** for Postgraduates of Allied health sciences at SRMC on AUG 2022
