Sri Ramachandra Medical College and Research Institute was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private non-profit self-financing institution dedicated to serve the society as a Centre of Excellence with emphasis on medical education, research and healthcare. In view of its academic excellence, the Government of India declared Sri Ramachandra Medical College & Research Institute as a Deemed University in September, 1994 under Section 3 of the University Grants Commission Act, 1956. As notified by the UGC, the nomenclature of the institution has been changed to Sri Ramachandra University from December 2006. The Trust achieved the task of establishing this Institution as a "Centre of Excellence" under the leadership of Late Shri. N.P.V. Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the first Chancellor of the Deemed University. Shri. V.R. Venkataachalam is currently the Chancellor of the University and also the Managing Trustee of the Trust.

The objective of the institution is to have the facility raised and developed to a level comparable to any major medical establishment in advanced countries. With this goal in mind, the Trust, in close co-operation of, and the able guidance from professional experts in administration and teaching, has developed this sprawling 150 acres of green campus to a level of a prestigious University today. Further milestones were reached as on April 1, 1997 when an inter-institutional alliance between Harvard Medical International, USA and Sri Ramachandra Medical College and Research Institute was signed, which had further led the institution towards quality in the areas of medical education, health care and research and enhanced its visibility and recognition at the international level.

Harvard Medical International, in its annual report 2007, stated that "Sri Ramachandra is the model of a learning institution in both its medical school and hospitals. They have pursued faculty development with great rigor, and in the hospital are striving to be a quality leader in India. The Institution stands out because of its commitment to taking care of all".

## **ACCREDITATION:**

Sri Ramachandra University has been accredited (cycle-2) by National Assessment and Accreditation Council (NAAC) with CGPA of 3.62 on four point scale at 'A' Grade.

The Clinical Laboratory is NABL accredited and the Blood Bank is accredited by the American Association of Blood Banks (AABB).

The Centre for Toxicology and Developmental Research (CEFT) is GLP certified, the first Medical University in India to get the GLP certification from DST, Govt. of India.

## **M.A.S.L.P. (MASTER IN AUDIOLOGY AND SPEECH-LANGUAGE PATHOLOGY) DEGREE COURSE**

### **INTRODUCTION:**

The Department of Speech, Language & Hearing Sciences (SLHS) offers this two year program in the Faculty of Allied Health Sciences. Recognising the need and increasing demand for Speech Pathologists & Audiologists, the Postgraduate program was initiated in 2004. The Rehabilitation Council of India has recognised this program.

As a unique Department in a Medical University and Hospital, the Department has taken up new challenges and chartered new paths. Since its inception, the Department has grown leaps and bounds meeting the needs of the communicatively challenged. It has many firsts to its credit. It is the first and the only Department to start academic programs at the Undergraduate and Postgraduate levels on the following areas:

- Stuttering Self Support Group
- Cleft Care Clinic
- Professional Voice Care Clinic
- Tinnitus Retraining Clinic
- Early intervention center for the Hearing impaired
- Early intervention center for the Cognitive impaired - Vidya Sudha

The current areas of clinical focus include:

1. Interdisciplinary team care in cleft lip and palate
2. Community oriented rehabilitation for individuals with cleft lip and palate
3. Voice with special reference to professional voice users
4. Stuttering and its management
5. Language impairments

The Department is staffed with committed and highly trained professionals who are provided opportunities for professional growth and leadership. As a result, the Department has attracted the best available professionals within the country. Visiting faculty from other training institutions also participate in the activities in the Department.

### **SALIENT FEATURES:**

The program combines intensive academic course work with rotatory clinical postings in the requirement of dissertation. The University provides an excellent ambience and infrastructure for academic, clinical training and research. The Department has national and international linkages for training and research with organization such as the Smile Train, Transforming Faces World Wide, Kay Elemetrics and R.C.I. etc.

The clinical program at the department emphasizes inter-disciplinary approach. Our students are provided opportunities in the campus to participate and learn from the out-patient diagnostic and therapy clinics and the early intervention centers for hearing impairment and cognitively impaired. The postgraduate students are also posted in all speciality clinics such as the cleft palate clinic, the cochlear implant clinic, the professional voice clinic and neonatal hearing screening programs.
