# **SRI RAMACHANDRA UNIVERSITY**

(Declared under Section 3 of the UGC Act, 1956)

**Accredited by NAAC with 'A' Grade**

Porur, Chennai-600116

Sri Ramachandra Medical College and Research Institute was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private non-profit self-financing institution dedicated to serve the society as a Centre of Excellence with emphasis on medical education, research and healthcare. In view of its academic excellence, the Government of India declared Sri Ramachandra Medical College & Research Institute as a Deemed University in September, 1994 under Section 3 of the University Grants Commission Act, 1956. As notified by the UGC, the nomenclature of the institution has been changed to Sri Ramachandra University from December 2006. The Trust achieved the task of establishing this Institution as a “Centre of Excellence” under the leadership of Late Shri. N.P.V. Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the first Chancellor of the Deemed University. Shri. V.R. Venkataachalam is currently the Chancellor of the University and also the Managing Trustee of the Trust.

The objective of the institution is to have the facility raised and developed to a level comparable to any major medical establishment in advanced countries. With this goal in mind, the Trust, in close co-operation of, and the able guidance from professional experts in administration and teaching, has developed this sprawling 150 acres of green campus to a level of a prestigious University today. Further milestones were reached as on April 1, 1997 when an inter-institutional alliance between Harvard Medical International, USA and Sri Ramachandra Medical College and Research Institute was signed, which had further led the institution towards quality in the areas of medical education, health care and research and enhanced its visibility and recognition at the international level.

Harvard Medical International, in its annual report 2007, stated that “Sri Ramachandra is the model of a learning institution in both its medical school and hospitals. They have pursued faculty development with great rigor, and in the hospital are striving to be a quality leader in India. The Institution stands out because of its commitment to taking care of all”.

## **ACCREDITATION:**

Sri Ramachandra University has been accredited by National Assessment and Accreditation Council (NAAC) with 'A' Grade with CGPA of 3.52 on a four point scale.

## **SRI RAMACHANDRA MEDICAL COLLEGE AND RESEARCH INSTITUTE:**

Sri Ramachandra Medical College and Research Institute, since its inception in 1985, has always been in the forefront of medical education. A fully integrated, innovative, modular curriculum within the framework of the Medical Council of India has been created for the MBBS Degree program that allows students to learn in a patient-centered manner. With assistance from Harvard Medical International and through extensive faculty development, value addition has been provided to the MBBS program to make it more student centered. Class rooms have been redesigned to reflect the new teaching ethos. Small group discussion areas have been created.

- Sri Ramachandra Medical College and Research Institute is recognized by the Medical Council of India, General Medical Council of UK, Thailand and Sri Lanka.
- Sri Ramachandra Medical College and Research Institute is included in the directory of the World Health Organisation.
- The Medical Council of India (MCI) has recognized Sri Ramachandra Medical College and Research Institute, Sri Ramachandra University, as a Nodal Centre to conduct both Basic and Advance course in Medical Education Technologies.

## **LIBRARY:**

Sri Ramachandra University's Central Library spreads across 40,000 sq. ft. In the year 1997, Sri Ramachandra Medical College and Research Institute entered into a historical inter-institutional alliance with the Harvard Medical International, Boston, USA. To mark this historical alliance this library was renamed as Sri Ramachandra Harvard Learning Centre. This centrally located and easily accessible Central Library is, perhaps, unique in this part of the world. As one enters this centrally air conditioned, well-lit, aesthetically designed library proofed with fire alarms, one gets into an atmosphere for serious intellectual work.

Any member of Sri Ramachandra University has free access to a rich collection of more than 43000 books, 600 journals, and over 72000 back issues at any time between 8 a.m. and 10 p.m. on weekdays and 8 a.m. and 8 p.m. on holidays. To make it user friendly, the books in the library are classified under "Dewey Decimal Classification". The library provides and facilitates the students and the faculty to have free access to more than 2000 online journals. 50 terminals are provided in the Internet club.

Audio and Video room has a wide range of CDs and Video cassettes providing effective learning tools. In addition to the 270 seats in the main library reading hall, another hall with 250 seats is available for the users to read their own books. Photocopying facility is available in the library to help the users.

The specially designed Harvard Auditorium and conference room located inside the library is available for multimedia presentations, to conduct teleconferences and for international image transfers. A number of national and international conferences and CME programmes are conducted in the auditorium.

## **HOSTELS:**

There are separate hostel facilities for both men and women students with 3,264 single rooms inside the campus to accommodate undergraduate and postgraduate students in medical and other disciplines. The campus has continuous running soft water supply and power supply. The avenues of trees and green plants give a resort-like-ambience which is highly conducive to pleasant learning and peaceful living within the campus. Hostels are also equipped with internet facility for the benefit of the inmates.

### **SRI RAMACHANDRA HOSPITAL:**

Sri Ramachandra Hospital is a major tertiary care and referral centre located within the University campus. The Hospital provides an ideal setting for the students for their learning and training in various specialities. Placed in a suburban locality and amidst major highways, the hospital serves a cross section of the community belonging to every economic segment of the society. On an average 4,500 patients visit the out-patient facility every day. The diagnostic capability available at the hospital is comparable to any University Hospital in any advanced country. The sophisticated clinical laboratory, blood bank and a wide range of imaging facilities including C.T. Scan, MRI, Multi Detector Slice Spiral CT, Coronary Angiography, Cerebral Angiography and Gamma Camera add to the diagnostic armamentarium of the Hospital.

The Neurology Laboratory, Pulmonology Laboratory, Non-invasive and invasive Cardiac Laboratories have all been developed to the current state-of-the-art level. Most modern and sophisticated operation theatres, ICU and Critical Care beds add to this unique facility. The students have unlimited opportunities to learn in this modern hospital. Similarly, specialties have grown in the last 29 years in every facet of medical advancement. The Cardio Vascular & Thoracic Surgery programs have already reached a significant level of perfection as also the other major divisions like Vascular Surgery, Neuro Surgery and transplantation services. Clinical skills labs provide the much needed practical skills and dexterity in clinical practice.

### **TELEMEDICINE:**

The University has national level visibility as a centre of excellence in exploiting Information Technology to the hilt, by establishing state-of-the-art Telemedicine facility through Satellite, ISDN lines and Internet connectivity. In addition, the University is a member of the PAN-African Network in telemedicine. Both students and the faculty benefit from Tele-Medicine Centre which is well connected with various national and international institutions.

### **SRI RAMACHANDRA UNIVERSITY CENTRAL RESEARCH FACILITY:**

Sri Ramachandra University has established the Central Research Facility (CRF) in the year 2007 as the “A to Z gateway” for research, to take care of all logistics of research planning, research projects administration, research documentation, providing centralized sophisticated equipment facility and University-Industry Liaison Centre with IPR/Patents Cell on a ‘ready to use platform’ to the entire University.

The University has a Ph.D. programme for all disciplines fully in consonance with the “UGC (Minimum standards for M.Phil/Ph.D.) Regulations, 2009” and is the third institution in the country to be recognised for offering the M.D./M.S. - Ph.D. sandwich programme by the Indian Council of Medical Research.

The ‘Research Vision’ of Sri Ramachandra University is to evolve the University as an “International Centre of Excellence in Translational Medical Education & Research and Biomedical Nanotechnology”.

### **RAGGING:**

Ragging is strictly prohibited in the University Campus. Sri Ramachandra University strictly enforces anti-ragging measures and the campus is free from any form of ragging. Any violation will be dealt with according to the law in force and as per directives of the Supreme Court of India.

**The University has adopted the “Medical Council of India (Prevention and Prohibition of ragging in Medical College / Institutions) Regulations, 2009” and “UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009” and these Regulations shall be applicable to all students.
