(B) Eligibility Criteria for M.Phil/ Ph.D. Supervisor

- (i) Whether criteria is laid-down by the University for the faculty to be recognized as Research Supervisor (if yes, a copy of the criteria may be enclosed) Yes No
- (ii) Whether the number of research scholars attached to a Research Supervisor is as per the Regulation Yes No

(C) Allocation of Research Supervisor

How is the Research Supervisor identified

The scholar will identify the supervisor from the Departments related to their topics

(D) Course Work

No. of semesters set aside for course work (in case requirements other than course work Are followed may please specify): _____

Two (one year)
Please see attached Regulations

(Annexure – I)

(E) Evaluation and Assessment

- (i) Whether the candidate is allowed to take up actual research work for M.Phil./ Ph.D. only after successful completion of the course work Yes No
- (ii) Whether prior to submission of thesis, a presentation open to all is prescribed Yes No
- (iii) Whether the candidate is mandated to publish one research paper in a refereed journal before submission of thesis Yes No
two
- (iv) Whether the evaluation of the thesis is done by at least two experts, with at least from outside the state or from outside the country Yes No

(v) Whether student undergoes viva voce examination and an open defence of the thesis

Yes No

(vi) No. of publications in refereed journals by Students registered for Ph.D. programme before Submission of thesis

Two publications

(vii) No. of students awarded Ph.D. degrees in the last two years

2011	8
2012	12

(F) Depository with the UGC

(i) Whether the list of the M.Phil and **Ph.D.** students currently enrolled with the University is posted on the university's website along with name of scholar, title of research, name of the department and name of research guide?

Yes No

(ii) Whether soft (electronic) copy of M.Phil and **Ph.D.** Theses has been submitted to the UGC/INFLIBNET (If yes, please give details of M.Phil and Ph.D. theses submitted to the UGC along with the date of submission)

Yes No

S. No.	Name of the Candidate	Thesis submitted to the UGC/ INGLIBNET			Journal in which the paper of the Ph.D. student was published
		M.Phil	Ph.D.	Date of submission

12. COURSE WORK AND RESEARCH METHODOLOGY EXAMINATIONS

- 12.1 There shall be atleast two course works to be under taken by all provisionally selected Ph.D. candidates to be completed before taking up the Part I. Methodology Examination. They shall include (i) Research Ethics and Biostatistics & Research Methodology courses offered by the University and (ii) A course work connected with the topic of research as hands-on training/workshop either within the University or in any other University/research institution as recommended by the Guide/Research Advisory Committee. Relevance documentary evidences of having completed these course work duly certified by Research Advisory Committee should be submitted to COE before the conduction of Part-I Methodology Examination.
- 12.2 At the end of the first year after provisional registration and on completion of such course(s) of instruction, there shall be a Research Methodology Examination conducted in the University premises only and every candidate shall be examined by the Research Advisory Committee by written and oral tests to assess his/her skills. The guide may grant an extension period not exceeding three months time, from the due date, to the candidate with the approval of the Controller of Examinations, for appearing for the Research Methodology Examination. Normally the Research Methodology Examination will not be permitted to be carried over beyond a period of three months from the due date. However, application for extension of period to appear for Research Methodology Examination after the expiry of three months may be considered by the Vice-Chancellor on valid grounds and special circumstances, for not exceeding a period of one year.
- 12.3 The Research Advisory Committee shall prescribe the course work and methodology of research and conduct the Research Methodology Examination. This is applicable to independent research scholars also.

The Part-I Research Methodology Examination shall consist of the following:

Paper	Title of paper	Max. marks
I	Research Methodology including biostatistics (theory only)	100
II	An advanced paper in the subject concerned including the involved instrumentation (theory only)	100
III	Background paper relating to design and conduct of his/her Ph.D. work	100
	Viva voce	100
	Total marks	400

Passing minimum is 50% of aggregate marks.

- 12.4 The syllabus for Paper I common for all disciplines will be framed by the standing committee of the Board of Research Studies.
The syllabi for Papers II & III will be prescribed by the Research Advisory Committee during its first meeting held for purposes of prescribing the course work, etc. for the candidate and should be forwarded to the Controller of Examinations, immediately after the meeting is over.
- 12.5 The Guide shall be the Convenor of the Research Methodology Examination.
- 12.6 A detailed report on the fitness of the candidate to proceed with the research work for the Degree of Doctor of Philosophy (Ph.D.) shall be submitted by the guide/ Convenor to the Controller of Examinations not exceeding fifteen days from the date of the Research Methodology Examination.
- 12.7 The detailed report submitted by the guide/Convenor duly attested by the other members shall contain the details of procedure followed for the written evaluation, experimental models, orals etc., and the percentage of marks secured by the scholar. The research scholar shall secure a minimum of 50% marks in the aggregate to be fit to proceed with the research work.
- 12.8 If any research scholar fails to qualify in the Research Methodology Examination, the candidate should undergo the course for a further period of six months. At the end of

- the said period, he/she shall be examined again by the same Advisory Committee and if found fit, he / she shall be permitted to proceed with the research work. The minimum period of research prescribed for submission of theses shall be extended by 6 more months in such cases.
- 12.9 A research scholar who does not qualify even at the second attempt shall not be permitted to continue his/her research work and his/her provisional registration shall be cancelled by the Vice-Chancellor without any further reference to the candidate.
 - 12.10 An independent research scholar shall also appear for the Research Methodology Examination conducted by the Research Advisory Committee consisting of three members.
 - 12.11 If a candidate fails to take the Research Methodology Examination at the end of the first year after provisional registration, without any prior approval/permission as prescribed under regulation (12.1) his/her provisional registration shall be cancelled by the Vice-Chancellor without any further reference to the candidate.
 - 12.12 All Ph.D. registered candidates should register and attend the Orientation Programme in Research Methodology and Biostatistics of this University will be conducted by the Central Research Facility of this University and the Department of Community Medicine, SRMC & RI before appearing for the Part I – Research Methodology Examination.
 - 12.13 Those provisionally registered for the Ph.D. degree should also register for the online research ethics programme CITI, offered by the University of Miami, Florida, USA, in collaboration with Sri Ramachandra University and obtain certification.
