ABOUT SRU:

Introduction

Sri Ramachandra Medical College and Research Institute was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private not-for-profit self-financing institution and dedicated to serve the society as a centre of excellence with emphasis on medical education, research and health care. In view of its academic excellence, the Government of India declared Sri Ramachandra Medical College and Research Institute as a Deemed University in September, 1994 under Section 3 of the University Grants Commission Act, 1956. As notified by the UGC, the nomenclature of the institution has been changed to Sri Ramachandra University in 2006. The Trust achieved the task of establishing this Institution as a “Centre of Excellence” under the leadership of Late Shri.N.P.V.Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the first Chancellor of the Deemed University. Shri.V.R.Venkataachalam is currently the Chancellor of the University and is also the Managing Trustee of the Trust.

Over two decades, the institute has transformed into a full fledged university with eight constituent colleges/faculties and around 100 courses in the health care sciences. Nearly 5000 students receive teaching and training within the University campus. Over 4500 patients seek health care in the state of the art academic medical centre.

Sri Ramachandra Medical College and Research Institute

Thousands of students from India and abroad have graduated and have received the MBBS degree since the medical college was initiated in 1985, in addition to several hundred who have received postgraduate degrees and diplomas in the various branches of Medicine.

The MBBS courses as well as all the Postgraduate courses that come under the purview of the Medical Council of India are conducted with the approval of the Council. The Institution is included in the World Health Directory and is recognised by the General Medical Council, UK, Ireland Medical Council, Thailand Medical Council and Sri Lankan Medical Council, thus giving our students an opportunity to widen their horizon in carving their careers.

The Undergraduate Medical (MBBS) programme is fine tuned to meet not only the criteria laid down by the Medical Council of India but includes the nuances of education as practised in Harvard Medical School. The Harvard connection that we nurtured and developed in the past had consistently helped us in establishing and monitoring the quality of medical education, healthcare and research. The Annual Report of the HMI stated that "It is wonderful to see that Sri Ramachandra Medical College and Research Institute is now known as a center of excellence in India for education programs". Further the HMI Report for 2007 stated that Sri Ramachandra is the model of a learning institution in both its medical and hospitals. The Institution stands out because of its commitment to taking care of all".

Postgraduate education opportunities such as M.D., M.S., D.M. and M.Ch. are available in a wide spectrum of specialities and superspecialities in the Medical College.

Sri Ramachandra Medical College and Research Institute is among the very few Medical Institutes in India which have been sanctioned 250 seats in MBBS Degree course by the Medical Council of India from the academic year 2011-12.
ACCRREDITATION:
- Sri Ramachandra University has been accredited (cycle-2) by National Assessment and Accreditation Council (NAAC) with CGPA of 3.62 on four point scale at ‘A’ Grade.
- The Centre for Toxicology and Developmental Research (CEFT) is GLP certified, the first Medical University in India to get the GLP certification from DST, Govt. of India.
- The Joint Commission International (JCI) has reaccredited the hospital, the first teaching hospital in India to obtain such accreditation from JCI. Similar reaccreditation has also been received from the National Accreditation Board for Hospitals (NABH).
- The Clinical Laboratory is NABL accredited and the Blood Bank is accredited by the American Association of Blood Banks (AABB).
- Sri Ramachandra Medical College and Research Institute is recognized by the Medical Council of India.
- It is also recognized by the General Medical Council of UK, Sri Lankan Medical Council and Thailand Medical Council.
- Sri Ramachandra Medical College and Research Institute is included in the directory of the World Health Organisation, which is a requirement for the college qualifications to be recognized internationally for purposes of higher postgraduate education and employment opportunities.
- The Medical Council of India (MCI) has recognized and upgraded the Regional Centre in Medical Education Technologies, Sri Ramachandra Medical College & Research Institute, Sri Ramachandra University, as a Nodal Centre to conduct both Basic and Advance course in Medical Education Technologies.

Sri Ramachandra Dental College & Hospital

Sri Ramachandra Dental College and Hospital was started in 1995 as a constituent college of Sri Ramachandra University. Utilising a floor space of 2,29,000 sq.ft, the college has 330 well equipped dental chairs to fulfill the needs of the Undergraduates and Postgraduates in every branch of dentistry. There are specially designed laboratories and teaching facilities such as lecture halls, auditoria and departmental seminar rooms and departmental libraries which make this a well recognised institution in the country. Advanced diagnostic equipment such as Orthopantomographs, Cephalostats and maxillofacial and dental radiography have been included. In addition to the state of the art designated dental operation theatres, the vast diagnostic facilities, that are available at the medical centre are also readily accessible for the students and faculty of the dental college. Several hundred patients who visit the dental college and hospital every day appreciate the comprehensive care provided. Integrated curriculum for the BDS course is being introduced. The college offers MDS courses:- Prosthodontics and Crown & Bridge / Periodontology / Oral & Maxillofacial Surgery / Conservative Dentistry and Endodontics / Orthodontics & Dentofacial Orthopedics / Oral Pathology & Microbiology / Paedodontics & Preventive Dentistry / Oral Medicine & Radiology and also Ph.D programme.
- The B.D.S. Course offered is recognised by the Dental Council of India and the Dental Councils of Malaysia and Sri Lanka.
- Among the academic collaborations entered into by the college those with the University of Sheffield – School of Clinical Dentistry, UK, University of Hong Kong, Kyushu Dental College, Japan, are notable.
1. **Eligibility:**

As per orders of the Hon'ble Supreme Court, in order to be eligible for admission to MBBS/BDS Courses for the academic year 2016-17 under NRI/Foreign Nationals category, it shall be necessary for a candidate to have appeared for and obtained the prescribed marks in the National Eligibility-cum-Entrance Test (NEET (UG) 2016).

Note: Mere appearance in NEET-I & NEET-II does not confer any right to the candidate for admission in MBBS/BDS Courses. The selection and admission of candidates to MBBS/BDS course in Sri Ramachandra University is subject to fulfilling the admission criteria, eligibility, All India Overall rank in NEET (UG-2016) merit list, medical fitness and such other criteria as may be prescribed by the Government of India, MCI/DCI and Sri Ramachandra University.

**IMPORTANT NOTE:**

i. As per the directives of the Hon'ble Supreme Court of India and the Ordinances promulgated by the Central Government on 24.5.2016 in regard to conduct of NEET, online applications are invited from candidates with eligibility marks prescribed by MCI/DCI in the 12th Std. and NEET-2016, for admission to MBBS/BDS course for academic year 2016-17 under NRI/Foreign Nationals category. Only online application mode is available.

ii. It may be noted that the admission process commenced through this notification is without prejudice to the contentions of Sri Ramachandra University in the T.C. (Civil) No.98-105 of 2012, etc., which are to be heard afresh by the Hon'ble Supreme Court -- vide its order dated 11.04.2016 in R.P. (C) Nos. 2159-2268 of 2013, etc.

iii. Such of those candidates who have applied earlier should also apply afresh in the prescribed application online.

iv. Candidates desirous of applying for both MBBS and BDS degree course should submit separate online applications.

v. Candidates are advised to regularly check the website [www.sriramachandra.edu.in](http://www.sriramachandra.edu.in) for any further updates or information.

vi. Candidate must ensure that mobile numbers, e-mail ID filled in the online application form pertain to him/her as Sri Ramachandra University will make communications by e-mail ID only. **No correspondence including counseling intimation will be sent by post or courier.**

vii. There is no application fee for online submission for NRI/Foreign Nationals category.
NRI / Foreign Nationals, possessing the prescribed qualification, are eligible for admission to the following courses offered by Sri Ramachandra University:

Subjects covered in the MBBS course during the first year:

The subjects covered in the first two semesters are as follows:-

- Anatomy
- Physiology
- Biochemistry

All the books necessary for the above courses are available at the bookstore / gift shop in the campus and are easy to procure. The professors and heads of each department will guide the students during the orientation period regarding the books to be studied.

Important - Compulsory Rotating Resident Internship (CRRI) for MBBS

After successful completion of MBBS course examinations, students have to undergo the one year Compulsory Rotating Resident Internship (CRRI). The entire CRRI of 12 months have to be undergone by the MBBS students in Sri Ramachandra Medical College and Research Institute only and if they opt to do a part of internship outside India, specific permission on individual basis have to be obtained by the students from the Medical Council of India, in advance. If for any reason the CRRI is extended beyond 12 months, it should be completed within 2 years from the actual date of commencement of Internship and no further extension will be permitted.

Subjects covered in the BDS course during the first year:

The total duration of the BDS course is 5 academic years (including one year internship). The courses that are to be taken in the first year of BDS are as follows:-

- General Human Anatomy including Embryology, Osteology and Histology
- General Human Physiology and Biochemistry
- Dental Anatomy Embryology and Oral Histology

Payment of Tuition and Other Fees

1. In the event of non-payment of tuition fee and other specified fees even after the lapse of the period specified for payment of the fees with penalty, notwithstanding the stage at which the student may be pursuing his/her course of study, the name of student concerned will be struck off/ removed from the Attendance Register. On such removal of name, the student(s) concerned will not permitted to the privileges of the course to which he/she has been admitted to, including to attend classes/ practicals, to enter library and or any other facility provided in the college/University campus or to obtain any usual certificate such as to avail concession, etc.

2. In the event of removal of the name of a student from the Attendance Register, re-admission fee, as prescribed by the University, will have to be paid by the student concerned when he/she is permitted by the authority concerned to make payment of all the unpaid fees due to the University (i.e., tuition fee and other fee along with the specified penalty).

3. Similarly, examination fee, as prescribed and notified from time to time, shall be paid on or before the due date. Any delay in payment will attract penalty as specified. If any student fails to remit the examination fee even after lapse of the period specified for payment with penalty, such student will not be issued Hall Ticket for the University examination(s)/ debarred from appearing for the University examination(s).

4. All fees, once paid to the University account, will not be refunded or adjusted for any other purpose under any circumstance.
Rules for Discontinuance from Course of Study

1. Where any student applies for discontinuance, or without any application discontinues on his/her own, from the course to which he/she has been admitted to, for any reason, at any stage, either after the cut-off date prescribed by the statutory authorities for admission to the first year of the course concerned or where the seat is rendered vacant without having any chance of being filled up with any other candidate, such students will have to remit the tuition fee and other applicable fees for the 'entire/remaining course period'. Unless and until payment of all the prescribed fees for the entire/remaining course period is made to the University account, such student shall not be entitled to any certificate including transfer certificate, mark sheets etc., to be issued by the University and to get back his/her original certificates deposited with the University at the time of admission.

2. All students and parent will be required to furnish a declaration agreeing to the above said conditions at the time of admission.
