NATIONAL PHARMACOVIGILANCE WEEK

17th - 23rd September, 2021

Pharmacovigilance Programme of India (PVPI)

PVPI monitors the safety profile of medical products used in India. In line with its mission to safeguard health of Indian population, we are beginning to celebrate National Pharmacovigilance Week from this year, which will serve as a platform for communication & knowledge enrichment to the various stakeholders in the field of safety of medical products for ultimate benefit of patient.
