## ASPIRE 2019'

Dear Colleagues and Friends,  
Greetings to all.....

This revision course is an intense exam preparatory course in Pharmacology. We have chosen the topics to focus on the important core key areas in the post graduate curriculum and syllabus. The course is designed to train the postgraduate students to perform with ease and excel in the examination. The topics of the programme will be taken by eminent academicians and clinical pharmacologists from various medical colleges in India. We have made the programme interesting using interactive discussions, symposia, demonstrations, debates and panel discussion along with lectures. This year we have introduced online quiz and essay writing competitions with exciting prizes!!!
