She has always pursued new research areas and avenues. She is the co-investigator of an extramural project titled “Translation and validation of internet based cognitive behavioural therapy (i-CBT) for tinnitus in Tamil, Kannada and Hindi”, funded by ICMR (2020-2023). This project is a collaborative effort with Manipal Academy of Higher Education. She was also the co-investigator of a project funded by the GATE-Young faculty research grant, SRU, titled “Efficacy of caregiver/parent administered remedial program for the management of APD” (2013 - 2014).

Dr. Jayashree has more than thirteen years of teaching experience and has mentored numerous students. She has guided and supervised the publication of multiple Master's theses in Audiology at SRIHER (DU). She is currently co-guiding a PhD thesis in ototoxicity.

Throughout her career, she has garnered a number of prizes and recognitions. In 2022, she was recently given the "Muktesh prize" at ISHACON. She is the Associate Editor of the Bangalore Speech and Hearing Trust's Journal of Hearing, Language, and Speech. She is also a member of the Board of Reviewers for a number of international journals, including the International Journal of Pediatric Otorhinolaryngology, European Journal of Pediatrics, Journal of Hearing sciences, American journal of perinatology, Frontiers in Pediatrics, Paediatric research, and Journal of Audiology and Otology. She is an RCI certified specialist and is a life member of both the Indian Speech and Hearing Association (ISHA) and the Sri Ramachandra Speech and Hearing Alumni Association (SRSHAA).
