

**Dr. M. Ganesh**  
**Professor & HOD, Department of Biochemistry, SRMC & RI, SRIHER**

**Email id:** [ganeshm@sriramachandra.edu.in](mailto:ganeshm@sriramachandra.edu.in)

**Contact Number:** 9884199902

**Academic Qualifications**

Madras Medical College, Chennai, MD - Biochemistry, 2002-2005

Govt Mohan Kumaranmangalam Medical College, Salem, MBBS. 1993-1999, Medicine

**Academic / Clinical / Research Focus**

- Teaching MBBS, MD(Biochem), MSc(Biochem), MSc MLT and other paramedical courses.
- Monitoring routine clinical biochemistry section in Sri Ramachandra Laboratory Services as a Senior Consultant

**Work Experience:**

Sri Ramachandra University, Assistant Professor, 2 April'05, June'10

Sri Ramachandra University, Associate Professor, 1 July'10, 21 November 14

Sri Ramachandra University, Professor, 22 November 14, 4 April 19

Sri Ramachandra University, HOD, 5 April 19 Till date

**Professional Memberships:**

- Association of medical biochemist of India
- Association of clinical biochemist of India
- Indian medical association
- Diabetes association of India (Southern chapter)

**Publications**

- Published an article titled "Assessing proteinuria in chronic kidney disease:protein:creatinine ratio Vs albumin:Creatinine ratio" in the International journal of interdisciplinary and multidisciplinary studies in July 2015
- Published an article titled "Study of iron status in type II diabetes mellitus" in the International journal of Clinical and Biochemical research in July 2015

- Published an article titled “Alteration in Bioenergetic, Regulators, SirT1 and Parp1 Expression Precedes Oxidative Stress in Rats Subjected to Transient Cerebral Focal Ischemia: Molecular and Histopathologic Evidences” in the Journal of stroke and cerebrovascular disease in November 2014
- Published an article titled “Prenatal Exposure to Lamotrigine: Effects on Postnatal Development and Behaviour in Rat Offspring” in the ISRN Neuroscience Journal in April 2014 edition.
- Published an article titled “Acute Myocardial Infarction – a cross sectional study of Biomarkers” in the International Journal of Pharma and Bio sciences in January 2014 edition.
- Published an article titled “Bio-markers assay in acute myocardial infarction- a cross sectional study” in the International Journal of Pharma and Bio sciences in October 2013 edition.
- Published an article titled “Hepcidin-Minireview” in the Journal of clinical and diagnostic research in August 2013 edition.
