

JANARTHANAN S

Degree: MBBS, MD (Anaesthesiology), ISCCM,ESICM,ISCCM, Fellowship

Designation: Assistant Professor

Area of Research Expertise with Projects conducted (Internal/External):

1 Management of ECMO patients
2 Critical care
3 Basic 2D echo and ultrasound
4 usg guided procedures
5 IABP insertions
6 renal replacement therapy
7 percutaneous tracheostomy
8 experience in management in transplant patients

Research interest

1	infection control in icu
2	Antibiotic stewardship
3	USG use in ICU

Conferences, Seminars, Workshop, training undergone :

- Ventilator Workshop-June 2017 SRMC- Medical College Building, 4th Floor Medical Education Unit
- Ventilator Workshop-June 2018 SRMC- Medical College Building, 4th Floor Medical Education Unit
- Ventilator Workshop-June 28-30 2019 SRMC- Medical College Building, 4th Floor, Medical Education Unit
- Hemodynamic Workshop & Arterial line Monitoring –Sep 2019 SRMC
- Annual Critical care Refresher course Feb -2017
- CME in Critical Care-Infection Diseases -March 2017
- Ventilator Management of Asthma &COPD-June 2018
- Respiratory Mechanics-June 2019

Membership in committees (Internal/External):

1. ISCCM-Indian Society of Critical Care Medicine
2. ESCCM-European Society of Critical Care Medicine

List of Publication:

- Complications of tracheal intubation in critically ill pediatric cancer patients. Suhail Sarwar Siddiqui, S Janarthanan, MM Harish, Harish Chaudhari, R Natesh Prabu, Jigeeshu V Divatia, Atul Prabhakar Kulkarni. IJCCM 2016 ; 20 : 7 : 409-411
- “Complications and benefits of intrahospital transport of adult Intensive Care Unit patients. MM Harish, S Janarthanan, Suhail Sarwar Siddiqui, Harish K Chaudhary, Natesh R Prabu, Jigeeshu V Divatia, Atul Prabhakar Kulkarni IJCCM August 2016, 20(8):448-452
