# Ramachandra Medical Centre to hold free camp

Sri Ramachandra Medical Centre will organize a free infertility camp on Wednesday from 8am to 1pm on its premises. Consultation and some investigations will be done free by the department of reproductive medicine. Charges will be reduced for those registering on that date for further tests and treatment. A hospital release said couples with difficulty in conception can meet doctors. They can bring medical records if any. For details call 45928544.
