

Enrollment for sports courses begins

Chennai: The Centre for Sports Science at Sri Ramachandra Institute of Higher Education & Research, Chennai has signed an MoU with the Netaji Subhas National Institute of Sports, Patiala, for developing and delivering joint academic programs in sports sciences.

These six-month certificate courses will be offered as per UGC guidelines. In the first leg, sports physiotherapy and sports nutrition courses are being launched online. The application forms will be available online at <https://nsnis.org/> and <https://www.sriramachandra.edu.in/> from August 3 up to August 10, with eligible candidates taking the written online exam on August 16, 2020. The course commences from August 24, 2020.

The eligibility criterion for admission into the sports physiotherapy course is masters in physiotherapy. Those who have bachelors in physiotherapy with three years of work experience in a sports institute, sports team or club, can also apply.
