Free cancer screening camp: To mark World No Tobacco Day, Sri Ramachandra Dental College Hospital, Porur will conduct a free camp on Thursday, Friday and Saturday between 8am to 4pm to detect oral cancer and pre-cancer. Those having symptoms like non-healing ulcer, burning sensation in mouth, white or red patches, restricted mouth opening and those who smoke or chew tobacco, betel nut or pan masala can benefit from the camp. Screening and investigations like basic blood test, biopsy and jaw x-ray will be done free and jaw scanning and surgery will be done at concessional charges to the needy patients. The screening is being arranged by the oral medicine and radiology department.
