Nursing (Post Basic) with minimum of 55% aggregate marks from an institute recognized by the Indian Nursing Council.</p> <p>b. Registered with the State Registration Council of Nursing and Midwifery.</p> <p>c. Minimum one year of clinical experience after B.Sc. Nursing (Basic) of prior/after B.Sc. Nursing (Post Basic) preferably in any critical care setting after registration in a State Nursing Council.</p>

SRI RAMACHANDRA

**INSTITUTE OF HIGHER EDUCATION AND RESEARCH
(Deemed to be University)
Porur, Chennai - 600116**

Sri Ramachandra Medical College and Research Institute was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private non-profit self-financing institution dedicated to serve the society as a Centre of Excellence with emphasis on medical education, research and healthcare. In view of its academic excellence, the Government of India declared Sri Ramachandra Medical College & Research Institute as a "Deemed to be University" in September, 1994 under Section 3 of the University Grants Commission Act, 1956. The Trust achieved the task of establishing this Institution as a "Centre of Excellence" under the leadership of Late Shri. N.P.V. Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the First Chancellor of the Deemed University, Shri. V.R. Venkataachalam is currently the Chancellor of the Deemed University and also the Managing Trustee of the Trust. Shri. R.V. Sengutuvan is the Pro-Chancellor of the Deemed University.

The objective of the institution is to have the facility raised and developed to a level comparable to any major medical establishment in advanced countries. With this goal in mind, the Trust, in close co-operation of, and able guidance from professional experts in administration and teaching, has developed this sprawling 150 acres of green campus to a level of a prestigious Deemed University today. Further milestones were reached as on April 1, 1997 when an inter-institutional alliance between Harvard Medical International, USA and Sri Ramachandra Medical College and Research Institute was signed, which had further led the institution towards enhanced quality in the areas of medical education, health care and research and enhanced its visibility and recognition at the international level.

Harvard Medical International, in its annual report 2007, stated that "Sri Ramachandra is the model of a learning institution in both its medical school and hospital. They have pursued faculty development with great rigor, and in the hospital are striving to be a quality leader in India. The Institution stands out because of its commitment to taking care of all".

Sri Ramachandra Medical College and Research Institute is among the few Medical Institutes in India which have been sanctioned 250 seats in MBBS Degree course by the Medical Council of India from the academic year 2011-12.

As notified by the Central Government, the name of the Deemed University has been changed as "Sri Ramachandra Institute of Higher Education and Research" from August, 2018.

An important milestone has been achieved when Sri Ramachandra Institute of Higher Education and Research was graded as Category - I Deemed to be University by the UGC in the year 2018.

ACCREDITATIONS :

i. NAAC:

Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) has been accredited (Cycle-3) by the National Assessment and Accreditation Council (NAAC) with CGPA of 3.53 on a four point scale with the highest 'A++' Grade.

ii. NIRF:

Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) has been ranked at 48 among Universities in NIRF – 2022. In the National Institutional Ranking Framework (NIRF – 2022), SRMC & RI has been placed at 15th rank among the Medical Colleges, Sri Ramachandra Dental College and Hospital at 13th rank among the Dental Colleges and Sri Ramachandra Faculty of Pharmacy at 31st rank among the Pharmacy Colleges in the country.

The Clinical Laboratory is NABL accredited. The C E F T E is a GLP certified animal and toxicology facility located within the Deemed University. It is the first Medical University in India to get the GLP Certification from DST, Government of India.

UNESCO Chair in Bioethics has been established at the Deemed University.

FACULTIES/CONSTITUENT COLLEGES:

The following are the Faculties/Constituent Colleges of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University):

- 1. Sri Ramachandra Medical College and Research Institute**
- 2. Sri Ramachandra Dental College and Hospital**
- 3. Sri Ramachandra Faculty of Pharmacy**
- 4. Sri Ramachandra Faculty of Nursing**
- 5. Sri Ramachandra Faculty of Physiotherapy**
- 6. Sri Ramachandra Faculty of Allied Health Sciences**
- 7. Sri Ramachandra Faculty of Management Sciences**
- 8. Sri Ramachandra Faculty of Biomedical Sciences & Technology**
- 9. Sri Ramachandra Faculty of Public Health**
- 10. Sri Ramachandra Faculty of Sports & Exercise Sciences**
- 11. Sri Ramachandra Faculty of Clinical Research**
- 12. Sri Ramachandra Faculty of Engineering and Technology**
- 13. Sri Ramachandra Faculty of Audiology and Speech Language Pathology**
- 14. Sri Ramachandra Faculty of Occupational Therapy**

The Deemed University offers at present D.Sc., Ph.D., 34 Degree programmes at the Under Graduate Level in Medical, Dental, Nursing, Pharmacy, Management, Allied Health Sciences and Engineering & Technology disciplines. At the Post Graduate level, the Deemed University offering 52 programmes in Medical, 8 programmes in Dentistry, 55 programmes in Nursing, Pharmacy, Management, Allied Health Sciences, 3 M.Sc. Degree Programs in Engineering & Technology. In all, more than 8300 students who come from different parts of the country and abroad receive their teaching and training within the campus in a vibrant atmosphere, highly conducive for higher education.

SRI RAMACHANDRA MEDICAL COLLEGE AND RESEARCH INSTITUTE:

Sri Ramachandra Medical College and Research Institute has, since its inception in 1985, always been in the forefront of medical education. A fully integrated, innovative, competency based curriculum as notified by the Medical Council of India/National Medical Commission has been developed for the MBBS Degree programme that allows students to learn in a patient-centered manner. With assistance from Harvard Medical International and through extensive faculty development, value addition has been provided to the MBBS and MD/MS program to make it more students centered. Class rooms have been redesigned with smart boards and simulation lab to reflect the new teaching ethos. Small group discussion areas have been created to facilitate interaction.

□ Sri Ramachandra Medical College and Research Institute is recognized by the Medical Council of India / National Medical Commission.

□ Sri Ramachandra Medical College and Research Institute is included in the Directory of the World Health Organisation.

□ The Medical Council of India (MCI) (presently National Medical Commission) has recognized Sri Ramachandra Medical College and Research Institute of Sri Ramachandra Institute of Higher Education & Research (Deemed to be University), as a Nodal Centre to conduct both Basic and Advance course in Medical Education Technologies to the faculty members working in around 40 Medical Colleges in South India.

SRI RAMACHANDRA CENTRAL LIBRARY:

The Central Library, has huge collections of resources, caters to all the needs of courses offered in this Institute. The library is spread in an area of 40,000 Sq. Ft. with all amenities including centralized air-conditioned facility with Wi-Fi enabled premises. The resource centre remains open for use from 8 a.m. to 10 p.m. on all working days of the institute and on holidays from 9 a.m. to 4 p.m. The library operations are fully automated and RFID technology is enabled. One can access the information through the library portal anytime and anywhere 24/7 days. The online resources subscribed by the central library include e-Books, e-journals and specialty online databases can be accessed by all the members in and out of the campus through remote access facility software remotlog.

A large collection of resources for Medical, Engineering, Nursing, Pharmacy, Allied Health Sciences and Biomedical Sciences procured over a period is a boon to the Central library. At present the Central library has a huge collection of text and reference books numbering to 66,555 and there is a separate section for Book Bank where students can loan books for the whole semester and they return the books after the examination is over. The library currently subscribes 413 national and international journals in print version and 465 online journals. The central library has procured an evidence based point of care database covering clinical overviews, drug monographs, calculators, guidelines, patient education along with E book collection, E journals, procedural videos and multimedia. The library portal is enabled with Delnet, and NPTEL facilities offered by the Ministry of HRD, Government of India, under the Institute of National importance. The resource centre has huge collections of back issues (Archives) of journals numbering to 1,04,976 which support the researchers for literature review. The resource centre has added 2273 volume of books and the number of titles are 1015 during 2022-23. The resource centre has evidence based collections of 5984 VCDs and DVDs on various specialities. The resource centre has a digital library section and all the online resources housed in the computers are available for access across the campus. A total of 317 Ph.D. theses submitted in all the disciplines have been uploaded in the national reservoir Shodhganga Inflibnet as per the requirement of UGC under MHRD.

HOSTELS:

There are separate hostel facilities for both men and women students with 3500 single rooms inside the campus to accommodate undergraduate and postgraduate students in medical, dental and other paramedical disciplines. The campus has continuous running soft water supply and power supply. The avenues of trees and green plants give a resort-like-ambience which is highly conducive to pleasant learning and peaceful living within the campus. Hostels are also equipped with internet facility for the benefit of the inmates. Covid – 19 pandemic guidelines and protocols are strictly followed.

SRI RAMACHANDRA HOSPITAL:

Sri Ramachandra Hospital is a major tertiary care and referral centre located within this campus. The Hospital caters to the needs of the students for their learning and training in various specialities. Placed in a suburban locality and amidst major highways, the hospital serves a cross section of the community belonging to every economic segment of the society. On an average 5,000 patients visit the out-patient facility everyday. The

diagnostic capability available at the hospital is comparable to any University Hospital in any advanced country. The sophisticated clinical laboratory, and a wide range of imaging facilities including C.T. Scan, MRI, Multi Detector Slice Spiral CT, Cardiac Angiography, Cerebral Angiography and Gamma Camera add to the diagnostic armamentarium of the Hospital.

The Neurology Laboratory, Pulmonology Laboratory, Non-invasive and Invasive Cardiac Laboratories have all been developed to the current state-of-the-art level. The most modern operation theatres, ICU and Critical Care beds add to this unique facility. The students have ample opportunities to learn in this modern hospital. Similarly, specialities have grown in the last 37 years in every facet of medical advancement. The Cardio Vascular & Thoracic Surgery programs have already reached a significant level of perfection as also the other major divisions like Vascular Surgery, Neuro Surgery Interventional Neuro Radiology, Critical Care Medicine, Reproductive Medicine and Transplantation Hepatology, Hand Surgery, Radiation Oncology, Cardiac Anaesthesiology, Rheumatology, Medical and Surgical Oncology Services.

Clinical Skills Labs in several departments like Orthopaedics, General Surgery, Obstetrics and Gynaecology, ENT provide opportunities for Postgraduate students to acquire the much sought after practical skills in complex surgical procedures. Basic Skills Lab for Undergraduate education has also been setup centrally for Medicine, Surgery, OBG and allied skills.

TELEMEDICINE:

The Deemed University has national level visibility as a centre of excellence in exploiting Information Technology to the hilt, by establishing state-of-the-art Telemedicine facility through Satellite, ISDN lines and Internet connectivity. Both students and the faculty benefit from Tele- Medicine Centre which is well connected with various National and International Institutions.

CENTRAL RESEARCH FACILITY:

Research at SRIHER is driven by the institutional and national vision to contribute to the prevention and alleviation of disease and disability, leading to the betterment of the health of our population. A network of sophisticated research laboratories provides world class facilities to faculty and students for engagement in medicine, clinical, biomedical, public

health, pharmaceutical, health sciences, engineering technology and healthcare management related research. There is special emphasis on multi-disciplinary and collaborative research where in faculty members drawn from different departments and divisions routinely take up high impact research to inform national and international health priorities.

Thrust areas of research are diverse and include non-communicable disease epidemiology, medical genetics and genomics, maternal health, child growth and development, cancer biology, molecular oncology, exercise physiology, occupational and environmental health, clinical virology, radiation biology, speech language and neurodevelopment, nursing care, drug development and discovery, bio-materials and nanotechnology, stem cell and regenerative biology, preclinical toxicology, public policy and health care financing, artificial intelligence in healthcare technology, to name a few.

With a network of more than 60 institutional collaborators, that include numerous international Including (USA, Europe & Australia) and Indian Universities, Governmental and Non-Governmental Research Institutions, the faculty at SRIHER have been involved in abundant national and global research and training efforts. Funders include major national agencies such as Department of Science and Technology, Department of Biotechnology, Indian Council of Medical Research, AYUSH, Defense Research Development Organization and Ministry of Environment, Board of Radiation and Nuclear Sciences, International Funding agencies like National Institutes of Health (USA), The Wellcome Trust and The Bill and Melinda Gates Foundation. SRIHER also has an excellent set of intra-mural funding support schemes to help undergraduate, postgraduate and PhD students as well as junior faculty seed their research explorations and build capacities for attracting extramural funds. Publications and citations from the SRIHER research community have been significant with over 8500 indexed articles and a cumulative H-Index of 83 to their credit.

The Office of Dean (Research) provides centralized administrative support for all aspects of research management including research planning, grant administration (including human resource, financial and equipment management) and registrations/approvals from relevant national and international certifying bodies and infrastructure. The GLP accredited pre-clinical toxicology facility and FDA audited Clinical trial division cater the needs of Pre-Clinical and Clinical research requirements. In addition, SRIHER is a recipient of infrastructure grants from DST and DBT that support the maintenance and operation of the shared high-end instrumentation.

Recently SRIHER has received support from the Biotechnology Industry Research Assistance Council (BIRAC) of DBT, Government of India to establish a Bio-Nest incubator to develop entrepreneurs engaged in scaling health care technologies. Focal areas of the SRIHER Bio-Nest incubator will include Clinical Validation of Medical Devices, Point of Care Diagnostic Kits, Nanotechnology and Artificial Intelligence (AI)/Machine Learning (ML) based tools in healthcare. With access to multiple clinical specialties and clinical/basic science research groups within the same campus, the SRIHER Bio-incubator is poised to become a major player in nurturing health care related start-ups.

There are currently 42 functional MoUs between SRIHER and Foreign/ Indian Institutions/ Universities /Industries for Academic & Research Collaborations, with provision for students and faculty exchanges and for conducting teaching & research programs. Recent MoUs include arrangements with Glasgow University UK and IISER Tirupathi.

In order to nurture research aptitude and skills, the Chancellor has instituted student fellowship and faculty seed grants.

ANTI-RAGGING MEASURES:

Ragging is strictly prohibited in this Campus. Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) strictly enforces anti-ragging measures and the campus is free from any form of ragging. Any violation will be dealt with according to law in force and as per the directives of the Hon'ble Supreme Court of India.

The Deemed University has adopted the

- I. **“UGC Regulations on curbing the menace of Ragging in Higher Educational Institutions, 2009” (as amended);**
- II. **“Medical Council of India(Prevention and Prohibition of ragging in Medical College / Institutions) Regulations, 2009” (as amended);**
- III. **“Dental Council of India Regulations on curbing the menace of Ragging in Dental Colleges, 2009” (as amended); and**
- IV. **All India Council for Technical Education (prevention and prohibition of ragging in Technical Institutions, Universities including Deemed Universities imparting technical education) Regulations 2009.**

These Regulations shall be applicable to all students. Full text of the Regulations is available in the Website: www.sriramachandra.edu.in.

Further, attention of the students and parents is invited to Sections 4 and 5 of the Tamil Nadu Prohibition of Ragging Act, 1997 which are reproduced below:

Section 4:- Whoever commits, participates in, abets or propagates 'ragging' within or without any educational institution, shall be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine which may extend to Rs.10,000/-(Rupees Ten thousand).

Section 5: - Any student convicted of an offence under Section 4 shall also be dismissed from the educational institution and such student shall not be admitted in any other educational institution.

Data on Ragging:

- i. No. of ragging incidents during the academic year 2022 - 23 : NIL
- ii. Punishment awarded : NIL

9. DEPOSIT OF CERTIFICATES:

Verification of original certificates will be made at the time of admission. Candidates provisionally selected for admission will have to deposit all required original certificates with this office. Therefore, candidates are advised to keep with them enough number of attested photocopies of their certificates.

10. CHANGE OF NAME/DATE OF BIRTH:

The name and date of birth of the candidate will be registered in the records of the University as given in the HSC Mark Statement/Transfer Certificate/Provisional or Degree Certificate. No request will be considered later in regard to change of date of birth or correction in the name of the candidate. The parents and candidate are requested to verify and confirm these entries in the HSC Mark Statement/ Transfer Certificate/Provisional or Degree Certificate at the time of receipt of the same.

11. PAYMENT OF TUITION AND OTHER FEES

- 1. The tuition fee is payable for the entire duration of the programme.
- 2. Every student shall pay tuition fee and other fee, as prescribed by the Deemed to be University, within the due date notified. The fees are subject to revision as per rules of the University.
- 3. All fees, once paid to the Deemed to be University account, will not be refunded or adjusted for any other purpose under any circumstances.

12. RULES ON DISCONTINUANCE FROM COURSE OF STUDY

- i. Where any student applies for discontinuance, or without any application discontinues on his/her own, from the course to which he/she has been admitted to, for any reason, either after the cut-off date prescribed by the statutory authorities for admission to the first year of the course concerned or where the seat is rendered vacant without having any chance of being filled up with any other candidate from waiting list etc., such student will have to remit the tuition fee and other applicable fees for the 'entire/remaining course period'. Unless and until payment of all the prescribed fees for the entire/remaining course period is made to the Deemed University account, such student shall not be entitled to any certificate including transfer certificate, mark sheets etc., to be issued by the Deemed University and to get back his/her original certificates deposited with the Deemed University at the time of admission.
- ii. All students and their parent will be required to furnish a written declaration agreeing to the above said conditions at the time of admission.

13. MEDICAL EXAMINATION:

The candidates provisionally selected for admission will have to undergo a medical examination at Sri Ramachandra Institute of Higher Education & Research (Deemed to be University), Porur, Chennai - 600 116 and only those who are found medically fit will be admitted to the course concerned.

14. LAST DATE:

The Online Application Form for the All India Entrance Examination duly filled in with all attachments should be filed online on or before **23rd June 2023 (Friday) 5.30 p.m. (server time)**.

The Deemed to be University shall not be liable for any delay arising out of internet technical issues. Hence candidates are advised to file online applications well in advance.
