Description of Emblem:

The emblem of the University has four salient images depicted in it: The red triangle with its apex pointing up, the bow, the arrow and the entwined snakes.

The triangle with the arrow underscores the Mission of the University: viz, to merge the three enduring objectives – Education, Healthcare and Research – represented by its three sides into a harmonized whole and hold it launched boldly up into the future. The arrow in addition, stands for the wand of Hermes (or the staff of Asclepius) and with the two entwined snakes represents the Caduceus, which has been traditionally used as the symbol of the medical profession. Uniquely, the bow here adds dynamism and a further dimension to the theme as it holds the arrow poised with its focus into posterity.

(Late) Thiru N.P.V. RAMASAMY UDAYAR
FOUNDER - CHANCELLOR
Reprint of the message given to the students in the year 1998 by the Founder-Chancellor:

Beloved Student,

It is with a great sense of pleasure and joy that I welcome you to this campus as a student. Our Trust when it was conceived in the year 1985, dedicated this institution to the proposition that it shall reach the heights of excellence in the fields of medical and health related education, research and patient care. Since then we have worked with a great sense of determination and commitment to make this 175 green acres develop as a mini town with all the facilities inside, keeping in mind the ecology of the surroundings. We are aware that this is going to be your home away from your own home for the next several years and it is vital that the campus is healthy for your growth and comfort. I myself have spared no pains to procure everything that is considered essential to accomplish this. Your parents do except us to provide appropriate facilities for your development during the next several crucial years in your life. Myself and the administrators of this institution will be happy to listen to your suggestions, requests, and complaints and take such actions as necessary to improve the situation. But it is very essential that you keep the communication line open and have no hesitation in approaching us. It is also possible that some of you may have unusual, personal, social and adjustment problems particularly when you are away from your own families for a long time. My faculty, staff, wardens and the Dean of Faculties assure me that they will provide such counselling services as may be necessary in the individual circumstances. Such services will be given entirely on a one on one basis in strict confidentiality. But again it is up to you to seek such help from us when you are in need.

Although you are here primarily in pursuit of good education and qualification, we believe that you should have adequate opportunities for extra curricular activities particularly cultural and sports. We encourage all such activities that will help you develop an all round personality and become an excellent professional.
At this juncture it is important that you become aware of our expectation of you. As much as you have a right to stay and enjoy the privileges in the campus every other student who is here has the right as well. This institution cannot tolerate any student intimidating other students in the form of teasing, ragging or cause any kind of harm to fellow student physically or emotionally. We do not have a place in this institution for such indiscipline and any student who indulges in such activities will be summarily expelled. Students and parents should also be aware of the recent strict laws that have been enforced by the State Government of Tamil Nadu against any form of ragging inside college campuses. We shall not be responsible for action taken by the Government against offending students. Any student victimized by any other student has no other choice except to report the incident immediately to the Dean of Faculties. It is expected of every student that he will abide by all the rules and regulations of the colleges and the hostel at all times.

Students who have difficulties with the subject are encouraged to directly seek counseling from the Head of the Department concerned. He is further encouraged to contact the administration to obtain necessary help for improvement. As a policy it is demanded of every student that he/she maintains 80% attendance in every subject and also meet the standards required for internal assessment examinations. In the matter of allowing a candidate to appear for examinations, the final authority is the concerned Head of the Department and the Dean of Faculties.

In conclusion, I would like you to note that we are here to make everything that is possible and necessary to give you a good education and experience in your field. It is with this intention that we have made historic alliance with Harvard Medical School also. We want you to utilize all these for your betterment, so that you look back one day and feel proud of your ALMA MATER.

Wishing you the very best in your life,

N.P.V.RAMASAMY UDAYAR
Dear Student,

As we are on the threshold of yet another academic year 2013, it gives me great pleasure in welcoming you once again and also the class of several hundred more new students to this great campus.

Our University has completed 27 year of its existence and as I look back at the strides taken and the milestones crossed, I feel rather overwhelmed. What you see in the campus today is the outcome of the far-sighted vision of my beloved father, Shri. N.P.V. Ramasamy Udayar and the loyal committed and dedicated services extended to us by the faculty and administrative staff of Sri Ramachandra University.

The University is a NAAC accredited institution with a CGPA of 3.52 on a 4-point scale - a distinction that very few medical institutions in the country can claim.

Sri Ramachandra Medical Center was totally upgraded to meet the growing needs of technology and the expectations of the streams of Inter-national patients as well. The upgraded ‘In Patient G Block’ will further enhance the patient care services offered to the public. The phenomenal progress made in the last several year lead us to the prestigious accreditation by the JCI (Joint Commission International), USA – the first teaching hospital in India to receive such recognition from the JCI. Similarly the Medical Centre is accredited by the National Accreditation Board for Hospitals, the first teaching hospital to achieve this distinction.
The Medical Council of India (MCI) has recognized and upgraded the Regional Centre in Medical Education Technologies, Sri Ramachandra Medical College and Research Institute, Sri Ramachandra University, as a “Nodal Centre” to conduct both Basic and Advance course in Medical Education Technologies, a standing testimony for the great strides the Institution has made in the field of innovative medical curriculum.

Today SRU has developed an all new integrated modular learner centered curriculum for MBBS that other institutions want to emulate. Similarly, the curriculum for all the undergraduate and postgraduate courses are constantly upgraded, to include the latest developments in the respective fields of specialization. From this academic year, ‘Value based add on courses’ are available for students undergoing a course of study in this University.

I am giving you all this information only to let you know that here at SRU, we are striving our best to give our students the best of ambience, excellent living in facilities including multi cuisine dining areas in addition to the value added quality based education.

My expectations of you is for you to make the best use of what we offer here and help carve for yourself a future that will make you, your family and the university proud. The institution counts its success through the accomplishments and placements of its graduates.

I extend to you a warm welcome to Sri Ramachandra Family and wish you a very happy and successful learning process that helps you achieve your dreams and goals, in the best ambience that Sri Ramachandra University has always strived to provide its students.

V.R. Venkataachalam
Introduction

Sri Ramachandra Medical College and Research Institute was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private not-for-profit self-financing institution and dedicated to serve the society as a centre of excellence with emphasis on medical education, research and health care. In view of its academic excellence, the Government of India declared Sri Ramachandra Medical College and Research Institute as a Deemed University in September, 1994 under Section 3 of the University Grants Commission Act, 1956. As notified by the UGC, the nomenclature of the institution has been changed to Sri Ramachandra University in 2006. The Trust achieved the task of establishing this Institution as a “Centre of Excellence” under the leadership of Late Shri.N.P.V.Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the first Chancellor of the Deemed University. Shri.V.R.Venkataachalam is currently the Chancellor of the University and is also the Managing Trustee of the Trust.

Over two decades, the institute has transformed into a full fledged university with nine constituent colleges/faculties and around 100 courses in the health care sciences. Nearly 4000 students receive teaching and training within the University campus. Over 3500 patients seek health care in the state of the art academic medical centre.

The National Assessment and Accreditation Council, the accrediting body of the UGC, has accredited Sri Ramachandra University with “A” Grade with a CGPA of 3.52 on a 4-point scale, the highest to be awarded to a private medical University in India.

The Joint Commission International (JCI) has accredited the University teaching hospital, the first teaching hospital in India to obtain such accreditation from JCI.

The Medical Council of India (MCI) has recognized and upgraded the Regional Centre in Medical Education Technologies, Sri Ramachandra Medical College and Research Institute, Sri Ramachandra University, as a Nodal Centre to conduct both Basic and Advance course in Medical Education Technologies.
The WHO has designated Sri Ramachandra Medical College and Research Institute as a WHO Collaborating Centre for Research and Training in Occupational Health.

The Atomic Energy Regulatory Board (AERB) has accredited the Biodosimetry lab of the Department of Human Genetics for assessment of personnel radiation exposure and related studies, the only non-governmental institution to have achieved such accreditation.

**Location and accessibility**

Sri Ramachandra University is located in Porur, on the busy Chennai - Bangalore highway, a twenty minute drive from the Chennai international airport. Chennai is a busy metropolis situated at head of sixty miles of pristine beach in the Bay of Bengal. Chennai is a fast growing industrial, medical and knowledge hub in South India that retains its charm, tradition and culture. It is well connected by road, rail and air to almost any destination in the world.

**Infrastructure**

The infrastructure at the University has been created to provide its students the best educational environment in the country. Over two million square feet of constructed space houses technologically advanced, fully air-conditioned state of the art class rooms, modern laboratories and one of the largest medical libraries in the region - the Central Library.

**Campus and facilities**

Spread over 150 acres, the University is housed in a refreshingly green campus. Well manicured lawns, sprawling open spaces and trees dot the campus. The campus itself is a township with colleges, the medical centre, staff and student housing, conference facilities, play grounds, multi specialty restaurants, ATMs, gift shops, travel service, railway reservation counter and a post office.

**The University Medical Centre**

The University Medical Centre is the focus of the clinical teaching activity of the University. A 1800 bedded facility with the largest ICU in the region with state of the art equipment, the medical centre is a tertiary care facility that provides the trainee with the opportunity to acquire knowledge and skills from the finest doctors in the country. SRU has centres of excellence in cardiovascular sciences, interventional neuro-radiology, reproductive medicine, critical care and emergency services to mention a few. The medical centre seamlessly integrates with the colleges to provide knowledge and practical application of the acquired knowledge effortlessly.
The new updated Blood Bank is one of the largest in Asia with 10,000 Sq.ft area which provides state of the art blood and component transfusion support to the patients.

**Telemedicine:** The University has national level visibility as a centre of excellence in exploiting information technology to the hilt, by establishing the state of the art Telemedicine Connectivity by satellite, ISDN lines and internet connectivity to several institutions in India – Siliguri, Durgapur, Kolkata, Guwahati, Andaman and Nicobar Islands, Jammu & Kashmir, Kerala, Karnataka, Andhra, to name a few. It has been included in the PAN-African network for telemedicine.

**Library**

A centrally air-conditioned library, known as “Sri Ramachandra Central Library is located in an area of 40,000 sq. ft. A large collection of medical books and journals gathered over a period of 28 years provide rich reading and reference material. It has a good stock of VCDs and DVDs on various subjects. There are in excess of 50 computers with facility to access a number data bases and more than 430 e-journals and books. At present these e-resources can be accessed with user ID and Password by students and teachers. Apart from this, Book Bank services are also available for the students.

**Hostels**

There are separate hostel facilities for both men and women students, with 2,500 single rooms available inside the campus to accommodate undergraduate and postgraduate students in medical and other disciplines. The campus has continuous running soft water supply and power supply. The avenues of trees and green plants give a resort-like ambience which is highly conducive to pleasant learning and peaceful living within the campus.

**Learning experience at SRU**

SRU takes pride in creating health care professionals who are globally competitive and locally responsive. At the forefront of this effort is the development of innovative curricula that prepare health care professionals for the demands and challenges of the 21st century. Within the framework laid by the regulatory authorities, the university has created unique learning experiences that focus on all round student development. The curriculum aims in providing a competency based patient centered education in medical and health sciences. Extensive use of clinical material and technology enhance the value of education. The medical college in addition has developed a first of its kind education program called PRODEV that takes education beyond knowledge and concentrates on overall professional development. Every student is assessed not
only in knowledge and skills but also professional attributes. A unique mentoring program that provides for personal supervision by a faculty member across the years adds to the learning experience in SRU.

**Student life at Sri Ramachandra University**

The University is a youthful vibrant and colourful campus. With exceptionally well appointed student housing, manicured lawns, playgrounds, gymnasiums and restaurants, the campus is agog with student life and activity. Student housing is secure and well supervised. Designated study areas, air conditioned class rooms and small group discussion areas add value to learning. The presence of students and postgraduates across the health care spectrum enhances the interdisciplinary educational experience. Exchange students from top universities around the world provide an international flavour to student life. Beside class, social events, annual cultural, literary, fine art events and sports fill the calendar. The campus is designed to ensure that students find a safe aesthetically pleasing environment to pursue their chosen careers with maximum support.

**The international student experience**

Ever since its inception, international students have been a part of Sri Ramachandra University. Drawn from countries all over the globe, students have found the University a home away from home. Separate comfortable housing is available for international students. Broadband connectivity ensures that the student is in touch with only a click. An international student office and counselor provide individualized attention to the needs of international students.

**Faculty profile - a study in excellence**

The faculty at the University are its greatest strength. Drawn from diverse training backgrounds from all over the country and the 750 plus faculty are not only experts in their fields of interest but through faculty development programs are always constantly redefining their skills in education. This translates into an education of high quality that is delivered at an individualized personal level. Our faculty take part in a unique mentorship program targeted at maximizing the educational advantage that SRU students enjoy. The Harvard Medical International, with which SRMC & RI had an institutional alliance for over a decade, in its Annual Report 2007 had stated that “Sri Ramachandra is the model of a learning institution in both its medical school and hospitals. They have pursued faculty development with great rigor, and in the hospital are striving to be quality leader in India”
Constituent colleges

Sri Ramachandra Medical College & Research Institute

Thousands of students from India and abroad have graduated and have received the MBBS degree since the medical college was initiated in 1985, in addition to several hundred who have received postgraduate degrees and diplomas in the various branches of Medicine.

The MBBS courses as well as all the Postgraduate courses that come under the purview of the Medical Council of India are conducted with the approval of the Council. The Institution is included in the World Health Directory and is recognised by the General Medical Council, UK, Ireland Medical Council, Thailand Medical Council and Sri Lankan Medical Council, thus giving our students an opportunity to widen their horizon in carving their careers.

The Undergraduate Medical (MBBS) programme is fine tuned to meet not only the criteria laid down by the Medical Council of India but includes the nuances of education as practised in Harvard Medical School. The connection that we nurtured and developed in the past had consistently helped us in establishing and monitoring the quality of medical education, healthcare and research. The Annual Report of the HMI stated that “It is wonderful to see that Sri Ramachandra Medical College and Research Institute is now known as a center of excellence in India for education programs”. Further the HMI Report for 2007 stated that Sri Ramachandra is the model of a learning institution in both its medical and hospitals. The Institution stands out because of its commitment to taking care of all”.

Postgraduate education opportunities are available in a wide spectrum of specialities/superspecialities and these are further strengthened every year.

Sri Ramachandra College of Management
75. MBA Hospital and Health Systems Management

The vast and imposing facility of the medical centre and hospital will be under utilized if the younger generation does not get an opportunity to learn from the administration and the working systems. SRU appreciated the need for capable health care administrators who can relieve the administrative burden of the doctors and help enhance the service potentials of the hospital and came up with the idea of introducing a 2-year MBA course in Hospital and Health Systems Management. The course has been approved by the All India Council for Technical Education, New Delhi and is popularly sought after by aspiring youngsters. The placement record of the Department has been consistently high, right from its inception.

Sri Ramachandra College of Biomedical Sciences, Technology and Research Postgraduate Courses
76. M.Sc. Human Genetics

Many avid and ambitious students seek opportunities to pursue the special area of Human Genetics, as they are aware of the great future that is in store for them. The Masters programme in Human Genetics has attracted students of high calibre from many parts of the country. In addition to the well structured teaching programme, they have the advantage of hands-on experience in utilising the state of the art diagnostic equipment in the field of genetics. The institution has already created a core group of committed geneticists who contribute to research in cytogenetic and connected fields.

77. M.Sc. Biotechnology

Realizing the potential role of Biotechnology, the college has been offering a two-year postgraduate programme in Biotechnology since 1999 in which students receive practical training and are made to conduct guided student seminars and do dissertation work. This college is dedicated to research work in every aspect of medicine, from advanced technology to herbology.
78. **M.Sc. Medical Bioinformatics**

Bioinformatics is one of the major growth areas in medicine and technology. It has tremendous potential to leave its impact on the everyday lives of people from genetically engineered food to drug discovery. It is in the limelight of multifarious drug trials also.

The multidisciplinary Master’s Program in Medical Bioinformatics is open to motivated candidates with appropriate qualification in science subjects. Bioinformatics can offer a rewarding and exciting career.

**Undergraduate Course**

79. **B.Sc. Biomedical Sciences**

Sri Ramachandra University has been offering a four year B.Sc. Biomedical Sciences course from the academic year 2007-08 with an option of opting one of the three major specializations in the fourth year of the programme in Human Genetics, Biotechnology and Bioinformatics. This B.Sc. Biomedical Sciences program, which is one of its kinds in the country, has been meticulously designed keeping in mind the importance of imparting complete education with emphasis towards understanding the fundamentals of basic sciences and medical sciences, which provides a strong foundation for higher studies and professional careers. The curriculum is strongly multi-disciplinary and will sensitize students to the latest developments in the field of Biomedical Sciences like Genomics, Proteomics, Applied Biotechnology, Antibody Engineering, Medical Genetics, Medical Transcription and Cancer Biology. The curriculum also emphasizes basic chemical, physical, mathematical sciences, computer applications and management principles. The program aims at producing highly trained and skilled biomedical scientists who will have flexible career opportunities and can make valuable contributions in the filed of biomedical research. This degree will open doors to higher studies (Master’s and Doctoral programmes) and academic staff positions at leading universities and research institutes in India and across the globe.

**Sri Ramachandra College of Allied Health Sciences**

In the hi-tech world of modern health care, the need for a team approach in curing illness and sustaining life is essential and it takes people with varying skills and expertise to make up the team. Advanced complex instrumentation and equipment require technocrats not only to operate but also to care and maintain them as well. These experts have to possess a strong scientific foundation and be able to perform at a much higher level than the traditionally trained technicians of the past. The following undergraduate and postgraduate courses are offered keeping the above needs of the medical profession:
Postgraduate courses
80. M.Sc. Neuroscience
81. M.Sc. Medical Laboratory Technology
82. M.Sc. Medical Imaging Technology
83. M.Sc. Renal Sciences & Dialysis Technology

Undergraduate Courses
84. B.Sc. Allied Health Sciences

Sri Ramachandra University realised the significant gap in the make up of the vital medical team to care for patients in specialty areas. This led to the initiation of a Bachelor degree course in Allied Health Sciences. The 4-year course (8 semesters) requires the students to go through basic medical and allied sciences including anatomy, physiology, biochemistry, microbiology, pathology, pharmacology and disease concepts before they enter into specific specialty oriented courses. The currently available specializations (technology) in B.Sc. Allied Health Science degree course are as given below:-

- Anaesthesia Technology
- Perfusion Technology
- Cardiac Technology
- Respiratory Care Technology
- Medical Laboratory Technology
- Renal Dialysis Technology
- Neuroscience Technology
- Surgical Paramedical Technology
- Urology Technology
- Radiology & Imaging Science Technology
- Blood Bank and Immunology Technology

85. M.Sc. Medical Radiology and Imaging Technology (5-year Integrated)

This is a five-year Integrated Course which has been designed keeping in mind the needs of the, medical colleges, hospitals and diagnostic centres. Students with Higher Secondary or equivalent qualification with Physics, Chemistry and Biology are eligible for admission. Apart from training in the Radiology Department, students will be encouraged to get training in industry also to gain hands on experience.

86. B.Optom (Clinical Optometry)

The four- year course (including one year Internship) trains optometrist who examines, diagnoses and helps the Ophthalmologist in the treatment and management of diseases and disorders of eye and associated structures. Optometrist is a professional who is trained to prescribe refraction corrections of the eye with high degree of competence. The course is structured to build knowledge, develop skills and expose the candidates to real-work situations in hospitals and health care organizations. It aims to meet international standards with multi disciplinary skills. The course also trains students in aspects of management, finance and computer knowledge. The Department of Ophthalmology offers this course.
Department of Environmental Health Engineering was set up, as a part of the Basic Science Research Wing of Sri Ramachandra University, Chennai, in 1998 with the aid of financial assistance provided by the United Nations Industrial Development Organization. The department originally set up to provide occupational safety and industrial hygiene monitoring services to the leather/tanning industry in Tamil Nadu, has since then been expanded to include a variety of R & D and training activities, that cover a broad spectrum of environmental health concerns. It is a recipient of extra-mural research and training grants from NIH, WHO, World Bank, UNDP, USEPA, Central and State Ministries of Govt. of India.

The primary focus of the department is on conduct of health risk assessments for environmental pollutants (in both the occupational and ambient environment). The department also provides routine occupational safety and health consultancy services to a wide spectrum of industries. The department is equipped with a state of the art environmental monitoring and industrial hygiene laboratory.

The WHO has designated Sri Ramachandra Medical College and Research Institute as a WHO Collaborating Centre for Research and Training in Occupational Health.

The Environmental Health Engineering Department has been recognized by the International Labour Office of the United Nations, Geneva as a collaborating centre of the International Occupational Safety and Health Information Centre (CIS) Network.

87. **M.P.H. Occupational and Environmental Health**

The Masters in Public Health in Occupational and Environmental Health is a two year postgraduate degree programme, aimed at training students to become efficient and effective Occupational and Environmental Health professionals with leadership qualities, knowledge and skills. The focus of the programme is to ensure that student’s competences in understanding of issues related to occupational and environmental health prevailing at different work and environmental settings are enhanced and that these skills are put into practice in diverse situations in the field. The course also aims at enhancing the research and analytical skills to an advanced level that would facilitate students to design and conduct quality research studies in the area of occupational and environmental health. The programme is hence designed to give an intensive training to enable students to identify, define and measure different parameters of occupational and environmental health, collect relevant data, effectively analyse data using appropriate statistical methods, have critical thinking, scientifically interpret information, describe the interrelationships of scientific, economic, political, social, ethical, cultural and personal interaction with issues and concerns of occupational and environmental health.
Department of Speech, Language & Hearing Sciences

The Department of Speech, Language and Hearing Sciences was established under the Faculty of Allied Health Sciences in 1995. To date, this is the only college in the state that offers undergraduate (since 1995) and postgraduate (since 2004) degrees in the field of speech, language and hearing. The courses are recognized by the Rehabilitation Council of India. The University also offers Ph.D. programme in speech, language and hearing. Training in this field will enable individuals to provide diagnostic and rehabilitative services to those who are communicatively handicapped. Various facilities such as audiological suites, electrophysiology labs, speech diagnostic and therapeutic units serve as primary source for clinical and research training. The students have the opportunity to undergo training in various specialty areas including neonatal hearing screening, early intervention programs for the communicatively handicapped, cleft care, stuttering management, professional voice care, bedside evaluation of patients and routine audiological and speech evaluation and rehabilitation.

Courses
88. M.Sc. Audiology & Speech-Language Pathology
89. BASLP Bachelor of Audiology & Speech-Language Pathology

Department of Clinical Psychology

90. M.Phil Clinical Psychology
A two-year specialty course has been introduced for the benefit of students who opt for a rewarding career in the field of Clinical Psychology. Clinical Psychologists form an important part of the psychiatry team participating in diagnosis, psychotherapy and research programs. This course is recognized by the Rehabilitation Council of India.

Department of Clinical Nutrition

91. M.Sc. Clinical Nutrition
A clinical nutritionist is a specialist in the science of nutrition equipped to working in the health care system. He/she is trained to assess and evaluate nutritional deficiency or imbalance and recommend treatment through the use of specific dietary supplements, vitamins etc., to maintain optimal health of patients and others. There is growing demand for clinical nutritionists in India and abroad.
Department of Emergency and Trauma Care Technology

92. **M.Sc. Emergency and Critical Care Technology**

93. **B.Sc. Emergency and Trauma Care Technology Course**

For the first time in India, a four-year course including one year internship leading to B.Sc. Emergency and Trauma Care Technology has been introduced in our University.

Emergency and Trauma Care Technologists are members of the emergency medical care team who use their knowledge and skills to provide basic and advanced life support to seriously ill or injured patients before these patients reach the hospital. They are involved in patient rescue and enable their safe transport by ambulance to appropriate medical centres.

The Course is accredited with Edexcel which is the regulatory body for paramedic education in the United Kingdom.

94. **B.Sc. Sports & Exercise Sciences**

This course is offered in collaboration with the University of Cape Town, South Africa, a world renowned university for sports medicine and exercise science. The course covers all aspects of sports and exercise science. The students will be enabled to have practical experience by postings in various sports and athletic clubs and other establishments. Students who graduate will have ample opportunities in getting employment in sports and science establishments, associations, clubs both private and public sector.

**SRI RAMACHANDRA UNIVERSITY CENTRAL RESEARCH FACILITY**

**Prof. S.P. Thyagarajan** Professor of Eminence & Dean (Research)

Sri Ramachandra University has established a Central Research Facility to gain recognition as a centre of excellence in medical research. The Central Research Facility, established in the year 2007, is the “A to Z gateway” for research, to take care of all logistics of research planning, research projects administration, research documentation, besides providing a centralized sophisticated equipment facility. It includes the University-Industry Liaison Centre with IRP/Patents Cell on a ‘ready to use platform’ to the entire University.

This facility in a plinth area of 25,000 sq.ft. has a medical informatics and study design unit, Contract Clinical Trials Division, Epidemiology Research unit, Project Development and Documentation Unit, Traditional Research Unit and a University Sophisticated Instrumentation Centre. All high-tech equipments for the genomics, proteomics, spectroscopy, chromatography, radioisotopy, microscopy, NMR facilities along with walk-in-cold room [4°C], cryopreservation unit [-80°C and – 146°C], cold...
room [-20°C] etc. are available besides a centralised administrative office. All research and development activities of the University are co-ordinated by the Dean [Research].

Presently there are major and minor research projects operational in the University which are broadly classified as (a) International collaborative projects, (b) Sponsored research projects funded by national agencies like Department of Science and Technology, Department of Bio-Technology, Indian Council of Medical Research, Council of Scientific and Industrial Research etc., (c) Industry - institutional R&D consultancy projects jointly funded by DST, industries and international agencies, (d) Multinational and multi centric clinical trials, and (e) Individual research projects by faculty and postgraduate students including Ph.D. students.

Central Animal Facility for Developmental Research and Toxicology

A world class fully air-conditioned “Central Animal Facility for Developmental Research and Toxicology” with all facilities for breeding, maintenance, experimentation and laboratory studies has been exclusively developed in a plinth area of 15,000 sq.ft. This animal facility is utilized for experimental research in accordance with the principles of good laboratory practices and CPCSEA guidelines of the Government of India. Further, it facilitates research and development in partnership with academic institutions, industries and funding agencies for drug discovery-cum-validation and devices of translational medical research. The Centre is also involved in skilled manpower development through education and training in laboratory animal care and experimental techniques.

The ‘Research Vision’ of Sri Ramachandra University is to evolve the University as an “International Centre of Excellence in Translational Medical Education & Research and Biomedical Nanotechnology”.

VIDYA SUDHA

Sri Ramachandra Learning Centre for Children with Special Needs

Vidya Sudha was conceived and created by Sri Ramachandra University in the year 2004 with the aim of helping parents of children with special needs and providing optimum care, for these children. It is a uniquely designed day care centre where parents form an integral part of the plan and care process of the children with special needs. Vidya Sudha is an early intervention holistic programme where the team of experts with diverse backgrounds and specialties come together to cater to the overall development of the child with special needs.
1. CURBING THE MENACE OF RAGGING IN HIGHER EDUCATIONAL INSTITUTIONS REGULATIONS 2009.**

(under Section 26 (1)(g) of the University Grants Commission Act, 1956)

(TO BE PUBLISHED IN THE GAZETTE OF INDIA PART III, SECTION-4)

PREAMBLE.

In view of the directions of the Hon’ble Supreme Court in the matter of “University of Kerala v/s. Council, Principals, Colleges and others” in SLP no. 24295 of 2006 dated 16.05.2007 and that dated 8.05.2009 in Civil Appeal number 887 of 2009, and in consideration of the determination of the Central Government and the University Grants Commission to prohibit, prevent and eliminate the scourge of ragging including any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student, in all higher education institutions in the country, and thereby, to provide for the healthy development, physically and psychologically, of all students, the University Grants Commission, in consultation with the Councils, brings forth this Regulation.

In exercise of the powers conferred by Clause (g) of sub-section (1) of Section 26 of the University Grants Commission Act, 1956, the University Grants Commission hereby makes the following Regulations, namely;

1. **Title, commencement and applicability.**

1.1 These regulations shall be called the "UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009".

1.2 They shall come into force from the date of their publication in the Official Gazette.

1.3 They shall apply to all the institutions coming within the definition of an University under sub-section (f) of section (2) of the University Grants Commission Act, 1956, and to all institutions deemed to be a university under Section 3 of the University Grants Commission Act, 1956, to all other higher educational institutions, or elements of such universities or institutions, including its departments, constituent units and all the premises, whether being academic, residential, playgrounds, canteen, or other such premises of such universities, deemed universities and higher educational institutions, whether located within the campus or outside, and to all means of transportation of students, whether public or private, accessed by students for the pursuit of studies in such universities, deemed universities and higher educational institutions.

2. **Objectives.**

To prohibit any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or indisciplined activities by any student or students which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in any fresher or any other student or asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student, with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher or any other student; and thereby, to eliminate ragging in all its forms from universities, deemed universities and other higher educational institutions in the country by prohibiting it
under these Regulations, preventing its occurrence and punishing those who indulge in ragging as provided for in these Regulations and the appropriate law in force.

3. **What constitutes Ragging.**- Ragging constitutes one or more of any of the following acts:

f) The application for admission shall be accompanied by a document in the form of, or annexed to, the School Leaving Certificate/Transfer Certificate/Migration Certificate/Character Certificate reporting on the inter-personal/social behavioural pattern of the applicant, to be issued by the school or institution last attended by the applicant, so that the institution can thereafter keep watch on the applicant, if admitted, whose behaviour has been commented in such document.

g) A student seeking admission to a hostel forming part of the institution, or seeking to reside in any temporary premises not forming part of the institution, including a private commercially managed lodge or hostel, shall have to submit additional affidavits countersigned by his/her parents/guardians in the form prescribed in Annexure I and Annexure II to these Regulations respectively along with his/her application.

h) Before the commencement of the academic session in any institution, the Head of the Institution shall convene and address a meeting of various functionaries/agencies, such as Hostel Wardens, representatives of students,
parents/ guardians, faculty, district administration including the police, to discuss the measures to be taken to prevent ragging in the institution and steps to be taken to identify those indulging in or abetting ragging and punish them.

i) The institution shall, to make the community at large and the students in particular aware of the dehumanizing effect of ragging, and the approach of the institution towards those indulging in ragging, prominently display posters depicting the provisions of penal law applicable to incidents of ragging, and the provisions of these Regulations and also any other law for the time being in force, and the punishments thereof, shall be prominently displayed on Notice Boards of all departments, hostels and other buildings as well as at places, where students normally gather and at places, known to be vulnerable to occurrences of ragging incidents.

j) The institution shall request the media to give adequate publicity to the law prohibiting ragging and the negative aspects of ragging and the institution’s resolve to ban ragging and punish those found guilty without fear or favour.

k) The institution shall identify, properly illuminate and keep a close watch on all locations known to be vulnerable to occurrences of ragging incidents.

l) The institution shall tighten security in its premises, especially at vulnerable places and intense policing by Anti-Ragging Squad, referred to in these Regulations and volunteers, if any, shall be resorted to at such points at odd hours during the first few months of the academic session.

m) The institution shall utilize the vacation period before the start of the new academic year to launch a publicity campaign against ragging through posters, leaflets and such other means, as may be desirable or required, to promote the objectives of these Regulations.

n) The faculties/departments/units of the institution shall have induction arrangements, including those which anticipate, identify and plan to meet any special needs of any specific section of students, in place well in advance of the beginning of the academic year with an aim to promote the objectives of this Regulation.

o) Every institution shall engage or seek the assistance of professional counsellors before the commencement of the academic session, to be available
when required by the institution, for the purposes of offering counselling to freshers and to other students after the commencement of the academic year.

p) The head of the institution shall provide information to the local police and local authorities, the details of every privately commercially managed hostels or lodges used for residential purposes by students enrolled in the institution and the head of the institution shall also ensure that the Anti-Ragging Squad shall ensure vigil in such locations to prevent the occurrence of ragging therein.

6.2 An institution shall, on admission or enrolment or registration of students, take the following steps, namely;

a) Every fresh student admitted to the institution shall be given a printed leaflet detailing to whom he/she has to turn to for help and guidance for various purposes including addresses and telephone numbers, so as to enable the student to contact the concerned person at any time, if and when required, of the Anti-Ragging Helpline referred to in these Regulations, Wardens, Head of the institution, all members of the anti-ragging squads and committees, relevant district and police authorities.

b) The institution, through the leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall explain to the freshers, the arrangements made for their induction and orientation which promote efficient and effective means of integrating them fully as students with those already admitted to the institution in earlier years.

c) The leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall inform the freshers about their rights as bona fide students of the institution and clearly instructing them that they should desist from doing anything, with or against their will, even if ordered to by the seniors students, and that any attempt of ragging shall be promptly reported to the Anti-ragging Squad or to the Warden or to the Head of the institution, as the case may be.

d) The leaflet specified in clause (a) of Regulation 6.2 of these Regulations shall contain a calendar of events and activities laid down by the institution to facilitate and complement familiarization of freshers with the academic environment of the institution.
e) The institution shall, on the arrival of senior students after the first week or after the second week, as the case may be, schedule orientation programmes as follows, namely; (i) joint sensitization programme and counselling of both freshers and senior students by a professional counsellor, referred to in clause (o) of Regulation 6.1 of these Regulations; (ii) joint orientation programme of freshers and seniors to be addressed by the Head of the institution and the anti-ragging committee; (iii) organization on a large scale of cultural, sports and other activities to provide a platform for the freshers and seniors to interact in the presence of faculty members; (iv) in the hostel, the warden should address all students; and may request two junior colleagues from the college faculty to assist the warden by becoming resident tutors for a temporary duration. (v) as far as possible faculty members should dine with the hostel residents in their respective hostels to instil a feeling of confidence among the freshers.

f) The institution shall set up appropriate committees, including the course-in-charge, student advisor, Wardens and some senior students as its members, to actively monitor, promote and regulate healthy interaction between the freshers, junior students and senior students.

g) Freshers or any other student(s), whether being victims, or witnesses, in any incident of ragging, shall be encouraged to report such occurrence, and the identity of such informants shall be protected and shall not be subject to any adverse consequence only for the reason for having reported such incidents.

h) Each batch of freshers, on arrival at the institution, shall be divided into small groups and each such group shall be assigned to a member of the faculty, who shall interact individually with each member of the group every day for ascertaining the problems or difficulties, if any, faced by the fresher in the institution and shall extend necessary help to the fresher in overcoming the same.

i) It shall be the responsibility of the member of the faculty assigned to the group of freshers, to coordinate with the Wardens of the hostels and to make surprise visits to the rooms in such hostels, where a member or members of the group are lodged; and such member of faculty shall maintain a diary of his/her interaction with the freshers under his/her charge.
j) Freshers shall be lodged, as far as may be, in a separate hostel block, and where such facilities are not available, the institution shall ensure that access of seniors to accommodation allotted to freshers is strictly monitored by wardens, security guards and other staff of the institution.

k) A round the clock vigil against ragging in the hostel premises, in order to prevent ragging in the hostels after the classes are over, shall be ensured by the institution.

l) It shall be the responsibility of the parents/guardians of freshers to promptly bring any instance of ragging to the notice of the Head of the Institution.

m) Every student studying in the institution and his/her parents/guardians shall provide the specific affidavits required under clauses (d), (e) and (g) of Regulation 6.1 of these Regulations at the time of admission or registration, as the case may be, during each academic year.

n) Every institution shall obtain the affidavit from every student as referred to above in clause (m) of Regulation 6.2 and maintain a proper record of the same and to ensure its safe upkeep thereof, including maintaining the copies of the affidavit in an electronic form, to be accessed easily when required either by the Commission or any of the Councils or by the institution or by the affiliating University or by any other person or organisation authorised to do so.

o) Every student at the time of his/her registration shall inform the institution about his/her place of residence while pursuing the course of study, and in case the student has not decided his/her place of residence or intends to change the same, the details of his place of residence shall be provided immediately on deciding the same; and specifically in regard to a private commercially managed lodge or hostel where he/she has taken up residence.

p) The Head of the institution shall, on the basis of the information provided by the student under clause (o) of Regulation 6.2, apportion sectors to be assigned to members of the faculty, so that such member of faculty can maintain vigil and report any incident of ragging outside the campus or en route while commuting to the institution using any means of transportation of students, whether public or private.
q) The Head of the institution shall, at the end of each academic year, send a letter to the parents/guardians of the students who are completing their first year in the institution, informing them about these Regulations and any law for the time being in force prohibiting ragging and the punishments thereof as well as punishments prescribed under the penal laws, and appealing to them to impress upon their wards to desist from indulging in ragging on their return to the institution at the beginning of the academic session next.

6.3 Every institution shall constitute the following bodies; namely,

a) Every institution shall constitute a Committee to be known as the Anti-Ragging Committee to be nominated and headed by the Head of the institution, and consisting of representatives of civil and police administration, local media, Non-Government Organizations involved in youth activities, representatives of faculty members, representatives of parents, representatives of students belonging to the freshers’ category as well as senior students, non-teaching staff; and shall have a diverse mix of membership in terms of levels as well as gender.

b) It shall be the duty of the Anti-Ragging Committee to ensure compliance with the provisions of these Regulations as well as the provisions of any law for the time being in force concerning ragging; and also to monitor and oversee the performance of the Anti-Ragging Squad in prevention of ragging in the institution.

c) Every institution shall also constitute a smaller body to be known as the Anti-Ragging Squad to be nominated by the Head of the Institution with such representation as may be considered necessary for maintaining vigil, oversight and patrolling functions and shall remain mobile, alert and active at all times.

Provided that the Anti-Ragging Squad shall have representation of various members of the campus community and shall have no outside representation.

d) It shall be the duty of the Anti-Ragging Squad to be called upon to make surprise raids on hostels, and other places vulnerable to incidents of, and having the potential of, ragging and shall be empowered to inspect such places.

e) It shall also be the duty of the Anti-Ragging Squad to conduct an on-the-spot enquiry into any incident of ragging referred to it by the Head of the institution
or any member of the faculty or any member of the staff or any student or any parent or guardian or any employee of a service provider or by any other person, as the case may be; and the enquiry report along with recommendations shall be submitted to the Anti-Ragging Committee for action under clause (a) of Regulation 9.1.

Provided that the Anti-Ragging Squad shall conduct such enquiry observing a fair and transparent procedure and the principles of natural justice and after giving adequate opportunity to the student or students accused of ragging and other witnesses to place before it the facts, documents and views concerning the incident of ragging, and considering such other relevant information as may be required.

f) Every institution shall, at the end of each academic year, in order to promote the objectives of these Regulations, constitute a Mentoring Cell consisting of students volunteering to be Mentors for freshers, in the succeeding academic year; and there shall be as many levels or tiers of Mentors as the number of batches in the institution, at the rate of one Mentor for six freshers and one Mentor of a higher level for six Mentors of the lower level.

g) Every University shall constitute a body to be known as Monitoring Cell on Ragging, which shall coordinate with the affiliated colleges and institutions under the domain of the University to achieve the objectives of these Regulations; and the Monitoring Cell shall call for reports from the Heads of institutions in regard to the activities of the Anti-Ragging Committees, Anti-Ragging Squads, and the Mentoring Cells at the institutions, and it shall also keep itself abreast of the decisions of the District level Anti-Ragging Committee headed by the District Magistrate.

h) The Monitoring Cell shall also review the efforts made by institutions to publicize anti-ragging measures, soliciting of affidavits from parents/guardians and from students, each academic year, to abstain from ragging activities or willingness to be penalized for violations; and shall function as the prime mover for initiating action on the part of the appropriate authorities of the university for amending the Statutes or Ordinances or Bye-laws to facilitate the implementation of anti-ragging measures at the level of the institution.
6.4 Every institution shall take the following other measures, namely;

a) Each hostel or a place where groups of students reside, forming part of the institution, shall have a full-time Warden, to be appointed by the institution as per the eligibility criteria laid down for the post reflecting both the command and control aspects of maintaining discipline and preventing incidents of ragging within the hostel, as well as the softer skills of counselling and communicating with the youth outside the class-room situation; and who shall reside within the hostel, or at the very least, in the close vicinity thereof.

b) The Warden shall be accessible at all hours and be available on telephone and other modes of communication, and for the purpose the Warden shall be provided with a mobile phone by the institution, the number of which shall be publicised among all students residing in the hostel.

c) The institution shall review and suitably enhance the powers of Wardens; and the security personnel posted in hostels shall be under the direct control of the Warden and their performance shall be assessed by them.

d) The professional counsellors referred to under clause (o) of Regulation 6.1 of these Regulations shall, at the time of admission, counsel freshers and/or any other student(s) desiring counselling, in order to prepare them for the life ahead, particularly in regard to the life in hostels and to the extent possible, also involve parents and teachers in the counselling sessions.

e) The institution shall undertake measures for extensive publicity against ragging by means of audio-visual aids, counselling sessions, workshops, painting and design competitions among students and such other measures, as it may deem fit.

f) In order to enable a student or any person to communicate with the Anti-Ragging Helpline, every institution shall permit unrestricted access to mobile phones and public phones in hostels and campuses, other than in class-rooms, seminar halls, library, and in such other places that the institution may deem it necessary to restrict the use of phones.

g) The faculty of the institution and its non-teaching staff, which includes but is not limited to the administrative staff, contract employees, security guards
and employees of service providers providing services within the institution, shall be sensitized towards the ills of ragging, its prevention and the consequences thereof.

h) The institution shall obtain an undertaking from every employee of the institution including all teaching and non-teaching members of staff, contract labour employed in the premises either for running canteen or as watch and ward staff or for cleaning or maintenance of the buildings/lawns and employees of service providers providing services within the institution, that he/she would report promptly any case of ragging which comes to his/her notice.

i) The institution shall make a provision in the service rules of its employees for issuing certificates of appreciation to such members of the staff who report incidents of ragging, which will form part of their service record.

j) The institution shall give necessary instructions to the employees of the canteens and messing, whether that of the institution or that of a service provider providing this service, or their employers, as the case may be, to keep a strict vigil in the area of their work and to report the incidents of ragging to the Head of the institution or members of the Anti-Ragging Squad or members of the Anti-Ragging Committee or the Wardens, as may be required.

k) All Universities awarding a degree in education at any level, shall be required to ensure that institutions imparting instruction in such courses or conducting training programme for teachers include inputs relating to anti-ragging and the appreciation of the relevant human rights, as well as inputs on topics regarding sensitization against corporal punishments and checking of bullying amongst students, so that every teacher is equipped to handle at least the rudiments of the counselling approach.

l) Discreet random surveys shall be conducted amongst the freshers every fortnight during the first three months of the academic year to verify and cross-check whether the institution is indeed free of ragging or not and for the purpose the institution may design its own methodology of conducting such surveys.

m) The institution shall cause to have an entry, apart from those relating to general conduct and behaviour, made in the Migration/Transfer Certificate issued to the student while leaving the institution, as to whether the student has been
punished for committing or abetting an act of ragging, as also whether the student has displayed persistent violent or aggressive behaviour or any inclination to harm others, during his course of study in the institution.

n) Notwithstanding anything contained in these Regulations with regard to obligations and responsibilities pertaining to the authorities or members of bodies prescribed above, it shall be the general collective responsibility of all levels and sections of authorities or functionaries including members of the faculty and employees of the institution, whether regular or temporary, and employees of service providers providing service within the institution, to prevent or to act promptly against the occurrence of ragging or any incident of ragging which comes to their notice.

o) The Heads of institutions affiliated to a University or a constituent of the University, as the case may be, shall, during the first three months of an academic year, submit a weekly report on the status of compliance with Anti-Ragging measures under these Regulations, and a monthly report on such status thereafter, to the Vice-Chancellor of the University to which the institution is affiliated to or recognized by.

p) The Vice Chancellor of each University, shall submit fortnightly reports of the University, including those of the Monitoring Cell on Ragging in case of an affiliating university, to the State Level Monitoring Cell.

7. **Action to be taken by the Head of the institution.**- On receipt of the recommendation of the Anti Ragging Squad or on receipt of any information concerning any reported incident of ragging, the Head of institution shall immediately determine if a case under the penal laws is made out and if so, either on his own or through a member of the Anti-Ragging Committee authorised by him in this behalf, proceed to file a First Information Report (FIR), within twenty four hours of receipt of such information or recommendation, with the police and local authorities, under the appropriate penal provisions relating to one or more of the following, namely;

i. Abetment to ragging;

ii. Criminal conspiracy to rag;

iii. Unlawful assembly and rioting while ragging;
iv. Public nuisance created during ragging;

v. Violation of decency and morals through ragging;

vi. Injury to body, causing hurt or grievous hurt;

vii. Wrongful restraint;

viii. Wrongful confinement;

ix. Use of criminal force;

x. Assault as well as sexual offences or unnatural offences;

xi. Extortion;

xii. Criminal trespass;

xiii. Offences against property;

xiv. Criminal intimidation;

xv. Attempts to commit any or all of the above mentioned offences against the victim(s);

xvi. Threat to commit any or all of the above mentioned offences against the victim(s);

xvii. Physical or psychological humiliation;

xviii. All other offences following from the definition of “Ragging”.

Provided that the Head of the institution shall forthwith report the occurrence of the incident of ragging to the District Level Anti-Ragging Committee and the Nodal officer of the affiliating University, if the institution is an affiliated institution.

Provided further that the institution shall also continue with its own enquiry initiated under clause 9 of these Regulations and other measures without waiting for action on the part of the police/local authorities and such remedial action shall be initiated and completed immediately and in no case later than a period of seven days of the reported occurrence of the incident of ragging.

8. **Duties and Responsibilities of the Commission and the Councils.**-

8.1 The Commission shall, with regard to providing facilitating communication of information regarding incidents of ragging in any institution, take the following steps, namely;
a) The Commission shall establish, fund and operate, a toll-free Anti-Ragging Helpline, operational round the clock, which could be accessed by students in distress owing to ragging related incidents.

b) Any distress message received at the Anti-Ragging Helpline shall be simultaneously relayed to the Head of the Institution, the Warden of the Hostels, the Nodal Officer of the affiliating University, if the incident reported has taken place in an institution affiliated to a University, the concerned District authorities and if so required, the District Magistrate, and the Superintendent of Police, and shall also be web enabled so as to be in the public domain simultaneously for the media and citizens to access it.

c) The Head of the institution shall be obliged to act immediately in response to the information received from the Anti-Ragging Helpline as at sub-clause (b) of this clause.

d) The telephone numbers of the Anti-Ragging Helpline and all the important functionaries in every institution, Heads of institutions, faculty members, members of the anti-ragging committees and anti ragging squads, district and sub-divisional authorities and state authorities, Wardens of hostels, and other functionaries or authorities where relevant, shall be widely disseminated for access or to seek help in emergencies.

e) The Commission shall maintain an appropriate data base to be created out of affidavits, affirmed by each student and his/her parents/guardians and stored electronically by the institution, either on its or through an agency to be designated by it; and such database shall also function as a record of ragging complaints received, and the status of the action taken thereon.

f) The Commission shall make available the database to a non-governmental agency to be nominated by the University Grants Commission, to build confidence in the public and also to provide information of non compliance with these Regulations to the Councils and to such bodies as may be authorised by the Commission or by the University Grants Commission.

8.2 The Commission shall take the following regulatory steps, namely;
a) The Commission shall make it mandatory for the institutions to incorporate in their prospectus, the directions of the Central Government or the State Level Monitoring Committee with regard to prohibition and consequences of ragging, and that non-compliance with these Regulations and directions so provided, shall be considered as lowering of academic standards by the institution, therefore making it liable for appropriate action.

b) The Commission shall verify that the institutions strictly comply with the requirement of getting the affidavits from the students and their parents/guardians as envisaged under these Regulations.

c) The Commission shall include a specific condition in the Utilization Certificate, in respect of any financial assistance or grants-in-aid to any institution under any of the general or special schemes of the Commission, that the institution has complied with the anti-ragging measures.

d) Any incident of ragging in an institution shall adversely affect its accreditation, ranking or grading by NAAC or by any other authorised accreditation agencies while assessing the institution for accreditation, ranking or grading purposes.

e) The Commission may accord priority in financial grants-in-aid to those institutions, otherwise eligible to receive grants under section 12B of the Act, which report a blemishless record in terms of there being no reported incident of ragging.

f) The Commission shall constitute an Inter-Council Committee, consisting of representatives of the various Councils, the Non-Governmental agency responsible for monitoring the database maintained by the Commission under clause (f) of Regulation 8.1 and such other bodies in higher education, to coordinate and monitor the anti-ragging measures in institutions across the country and to make recommendations from time to time; and shall meet at least once in six months each year.

g) The Commission shall institute an Anti-Ragging Cell within the Commission as an institutional mechanism to provide secretarial support for collection of information and monitoring, and to coordinate with the State Level Monitoring Cell and University level Committees for effective implementation of anti-ragging measures, and the Cell shall also coordinate with the Non-Governmental agency
responsible for monitoring the database maintained by the Commission appointed under clause (g) of Regulation 8.1.

9. **Administrative action in the event of ragging.**

9.1 The institution shall punish a student found guilty of ragging after following the procedure and in the manner prescribed hereunder:

a) The Anti-Ragging Committee of the institution shall take an appropriate decision, in regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging established in the recommendations of the Anti-Ragging Squad.

b) The Anti-Ragging Committee may, depending on the nature and gravity of the guilt established by the Anti-Ragging Squad, award, to those found guilty, one or more of the following punishments, namely;

   i. Suspension from attending classes and academic privileges.
   ii. Withholding/ withdrawing scholarship/ fellowship and other benefits.
   iii. Debarring from appearing in any test/ examination or other evaluation process.
   iv. Withholding results.
   v. Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
   vi. Suspension/ expulsion from the hostel.
   vii. Cancellation of admission.
   viii. Rustication from the institution for period ranging from one to four semesters.
   ix. Expulsion from the institution and consequent debarring from admission to any other institution for a specified period.

   Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.

c) An appeal against the order of punishment by the Anti-Ragging Committee shall lie,

   i. in case of an order of an institution, affiliated to or constituent part, of a University, to the Vice-Chancellor of the University;
ii. in case of an order of a University, to its Chancellor.

iii. in case of an institution of national importance created by an Act of Parliament, to the Chairman or Chancellor of the institution, as the case may be.

9.2 Where an institution, being constituent of, affiliated to or recognized by a University, fails to comply with any of the provisions of these Regulations or fails to curb ragging effectively, such University may take any one or more of the following actions, namely;

   i. Withdrawal of affiliation/ recognition or other privileges conferred.
   ii. Prohibiting such institution from presenting any student or students then undergoing any programme of study therein for the award of any degree/diploma of the University.

   Provided that where an institution is prohibited from presenting its student or students, the Commission shall make suitable arrangements for the other students so as to ensure that such students are able to pursue their academic studies.

   iii. Withholding grants allocated to it by the university, if any
   iv. Withholding any grants channellised through the university to the institution.
   v. Any other appropriate penalty within the powers of the university.

9.3 Where in the opinion of the appointing authority, a lapse is attributable to any member of the faculty or staff of the institution, in the matter of reporting or taking prompt action to prevent an incident of ragging or who display an apathetic or insensitive attitude towards complaints of ragging, or who fail to take timely steps, whether required under these Regulations or otherwise, to prevent an incident or incidents of ragging, then such authority shall initiate departmental disciplinary action, in accordance with the prescribed procedure of the institution, against such member of the faculty or staff.

   Provided that where such lapse is attributable to the Head of the institution, the authority designated to appoint such Head shall take such departmental disciplinary
action; and such action shall be without prejudice to any action that may be taken under the penal laws for abetment of ragging for failure to take timely steps in the prevention of ragging or punishing any student found guilty of ragging.

9.4 The Commission shall, in respect of any institution that fails to take adequate steps to prevent ragging or fails to act in accordance with these Regulations or fails to punish perpetrators or incidents of ragging suitably, take one of more of the following measures, namely;

i. Withdrawal of declaration of fitness to receive grants under section 12B of the Act.

ii. Withholding any grant allocated.

iii. Declaring the institution ineligible for consideration for any assistance under any of the general or special assistance programmes of the Commission.

iv. Informing the general public, including potential candidates for admission, through a notice displayed prominently in the newspapers or other suitable media and posted on the website of the Commission, declaring that the institution does not possess the minimum academic standards.

v. Taking such other action within its powers as it may deem fit and impose such other penalties as may be provided in the Act for such duration of time as the institution complies with the provisions of these Regulations.

Provided that the action taken under this clause by the Commission against any institution shall be shared with all Councils.
