

National/International workshops, seminars, CMEs organized

S.No	Date	Programs	Venue
1	March 3-4, 2020	Industry -Academia Meet and Exhibition on "Opportunities in Waste Management Sector"	University Auditorium, SRIHER
2	April 29 to May 4 2019	Training Workshop in research methods for air pollution and health effects research as part of the DAPHNE Indo-UK Collaboration	Department of EHE, SRIHER
3	January 8-10, 2019	Clarkson-SRU-ICMR Indo-US Knowledge Initiative Project Training Workshop on Air pollution, climate change and human health in India: Interlinked challenges	Department of EHE, SRIHER
4	September 22, 2019	Workshop On Technical Aspects of Noise & Its Health Effects	Department of EHE, SRIHER
5	August 27, 2019	Half-day international workshop on "Environmental Risks Factors and CKD -The Linkage"	SRIHER
6	June 28, 2018	CME pediatric pneumonia	Thiruvarur Medical college
7	January 31, 2018	CME on Respiratory illness in children	Thiruthuraiipoondi
8	January 29, 2018	National Seminar on "Advanced Concepts of Toxicokinetics in Application to Monitoring & Evaluation of Therapeutic Drugs"	SRIHER
9	January 28, 2018	CME on Respiratory illness in children	Kallakurichi
10	December 18 to 20, 2017	Workshop on "Air Pollution, Climate Change and Human Health in India: Interlinked Challenges", Clarkson-SRU-ICMR Knowledge Initiative Project-Training	Department of EHE, SRIHER
11	October 13, 2017	Workshop on "Sound Chemical Management	SRIHER
12	May 25-26, 2017	Workshop on "Averted Disability Adjusted Life years (ADALYs) Methodology"	Department of EHE, SRIHER
13	September 8, 2016	CME and training workshop for medical / field staff in the frame of the UNEP/WHO project "Development of a plan for global monitoring of human exposure to and environmental concentrations of mercury – A pilot survey in India"	SRIHER
14	August, 2016	Training and field assessment of Priority Carcinogenic Chemicals in selected industries in pasakha and phuntsholing	Royal Government of Bhutan, Paro
15	June 27, 2016	UK-India Education Research Initiative Dissemination Meeting on "Oro-Facial Clefts in southern India: Examining the role of Metabolic, Nutritional and Environmental Risk Factor"	SRIHER

16	January 19, 2016	CME and International Seminar on "Occupational Risks Factors- Implications on Renal Health"	SRIHER
17	August 17, 2015	Seminar on "Updates On Global Practices In Occupational Safety, Health And Hygiene- An Overview"	SRIHER
18	April 13-14, 2015	International Symposium On Climate Change, Heat Stress & Health	SRIHER
19	March 13-14, 2015	Workshop on exposure assessment methodologies for Air pollution related epidemiological studies – in ICMR –CAR Project	SRIHER
20	January 5, 2015	Participant interaction program in ICMR CAR Project	Department of EHE, SRIHER
21	November 2014	CME on Climate Change & Heat Stress and Health	SRIHER
22	August 2, 2014	CME on " Application of Pharmacokinetics and Toxicology in Clinical Management: Current Methods and Emerging Tools	SRIHER
23	May 6, 2014	CME on " Research Approaches to the Etiological Studies in Oro facial Clefts	SRIHER
24	March 3-4, 2014	Awareness program on "Indoor Air Quality and Investigation" for WHO Staff members	WHO, New Delhi
25	December 10, 2013	CME on "Recent advances in Nutrition & Air Pollution Epidemiology Application in Oro Facial Cleft", " in collaboration with Dept of Plastic Surgery	SRIHER
26	November 29-30, 2013	Certificate Course on "Climate Change & Health" in collaboration with UMEA University	SRIHER
27	November 18-20, 2013	Training Workshop on "Industrial Hygiene Measurements and Safety" " in collaboration with Regional Labour Institute, Ministry of Labour, Government of India	SRIHER
28	September & November 2013	A SOP development workshop and hands-on training workshop on "Heat stress measurements" for training the research personnel and other collaborating departments	SRIHER
29	April 15, 2013	CME on Chronic, Kidney Diseases	SRIHER
30	January 23-25, 2013	Indo- German workshop on " Challenges and Opportunities in Air Pollution and climate Change (CHOP-C-2) " in collaboration with Indian Institute of Tropical Metereology, Ministry of Earth Sciences, Government of India	SRIHER
31	November 2-3, 2012	National workshop on "Current concepts and tools in Occupational Health and Safety Risk Assessment" in collaboration with Medical College and Research Institute (DU) of Montreal, Canada, Regional Labour Institute, Ministry of Labour, Government of India and Safety Engineers Association of India	SRIHER

32	August 23, 2012	Awareness in Laboratory Safety in Educational Institutions, Science City	Guindy, Chennai
