

## *Reach Out*

Students from Depts. of Allied Health Sciences, Biomedical Sciences, Dental College and Medical College participated in an awareness programme as part of their NSS activity on 10<sup>th</sup> February 2017. The events included:

- hands-on training to perform Basic Life Support
- role play on case-based tasks
- awareness lecture on 'ill-effects of substance abuse'
- display of video on substance abuse
- distribution of pamphlets.

150 students benefitted.
