Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Institutional Facility for online delivery of e-content: SRIHER has established Learning Management System individually for Medical College (https://elearning.sriramachandra.edu.in/) and other Health sciences Institutes (http://hselearning.sriramachandra.edu.in/moodle/) since 2017. The teaching materials are uploaded in the LMS. Synchronous online lectures were conducted using Google meet and BigBlueButton tool embedded within LMS. Course learning outcomes are assessed through online assignments, MCQs and tests. Institute has a studio to record the lectures, established in collaboration with IIT, Madras and NPTEL which can record and also deliver course content to registered students. Due to the limitations of statutory regulatory authority / council guidelines Credit transfer / Online testing is restricted to Continuous Internal Assessment (CIA). The elective summative exams were conducted online through LMS successfully during the pandemic. Faculty Capacity Development: Around 90% of the faculty members are trained in developing and delivering e-content. Video tutorials are developed and hosted in institute's portal to train the faculty members. The online learning committee of the Institute conducted regular training sessions during the lockdown period. The faculty are abreast using various tools like Open Broadcaster Software, Screen Cast- o- Matic, Kahoot and Socrative. Organizational support: SRIHER has an online learning committee a wing of Sri Ramachandra Centre for health professional education to oversee the online teaching learning. Institute has a policy on online learning and e-content creation. Institute subscribes for software/platforms like knowledge presenter, Screen Cast-o-Matic, G Suit, Go to Webinar and PowToon for the online teaching learning. IT wing of the Institute maintains the LMS and other software used for delivering online courses.</p> <p>The elective courses are offered in Blended mode, an academic calendar was prepared for the semester specifying the classes, and assessment schedule. Class schedule was prepared based on the syllabus. The adherence to schedule was reviewed in monthly faculty meeting and steps were taken to meet the deadlines in academic calendar in case of unforeseen holidays and postponement of classes.</p> <p>The classes were conducted online through the official online email accounts. To enable smooth completion, two faculties were assigned for each course and additional hours like tutorial were provided in the time table to make for lost time due to unavoidable circumstances. The students were benefited through various webinars conducted viz. Gsuite and Goto webinar platforms. Also the visiting faculties of various departments delivered lecture and interacted with students.</p>		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0
