PORUR, CHENNAI - 600 116

REGULATIONS FOR
THE DEGREE OF DOCTOR OF SCIENCE (D.Sc.)
(Revised August, 2018)

REGULATIONS FOR THE DEGREE OF DOCTOR OF SCIENCE (D.Sc.)

In exercise of the powers conferred by Rule 12.1 (iv) B (a) of Memorandum of Association & Rules and clause 21 of Bye-laws of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University), Porur, Chennai-600116, the Academic Council of the Deemed University hereby makes the following Regulations:

These revised regulations shall be called the “Regulations for the Degree of Doctor of Science (D.Sc.) of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University),” and they shall come into force from the year 2018. These Regulations are subject to such modifications as may be approved by the Academic Council from time to time.

1. ELIGIBILITY

1.1 A candidate who has qualified for the degree of Doctor of Philosophy (Ph.D.) of this Deemed University or from any other recognized Deemed University, in any one of the faculties approved by the Board of Management and who has subsequently carried out post-doctoral research work for a minimum period of 5 years in departments of the Deemed University or in an Institution recognized and approved for research leading to the award of Ph.D. Degree, may present himself/herself for the Degree of Doctor of Science (D.Sc.), the highest degree of this University.

1.2 A candidate who has qualified with Higher speciality degree DM/ M.Ch. or MD/MS/DNB/MDS from this University or from any other recognized University, in any one of the faculties approved by the Board of Management and who has subsequently (after obtaining DM/M.Ch. or MD/MS/DNB/MDS) carried research work for a minimum period of 5 years in departments of the University or in an Institution recognized and approved for research leading to the award of Ph.D./ DM/M.Ch. or MD/MS/DNB/MDS Degree, may present himself/herself for the Degree of Doctor of Science (D.Sc.), the highest degree of this University.

1.3 Such a candidate who is a full-time teacher or research scholar working in Departments of this Deemed University or from an institution/university approved by UGC/AIU alone is eligible to apply and submit his/her thesis for the award of Degree of Doctor of Science (D.Sc.).

2. APPLICATION FOR CANDIDACY TO D.Sc. DEGREE

2.1 A candidate seeking candidacy for the award of Doctor of Science (D.Sc.) Degree shall request for application form in writing/or by email to the Academic Officer.

The duly completed form will be submitted along with the following:-

- i. Synopsis of the proposed D.Sc. thesis
- ii. List of publications arising out of research done after Ph.D./ DM/ M.Ch./ MD/MS/DNB/MDS Degree.
- iii. Registration fee by Demand Draft

2.2 Applications for candidacy will be received twice in a year.

Session - I from 1st to 31st July

Session - II from 1st to 31st January

3. D.Sc. APPLICATION SCREENING COMMITTEE

3.1 The Vice-Chancellor/ Dean (Research)/ shall appoint a D.Sc. application Screening Committee consisting of Dean (Research) as Chair and experts in the speciality concerned and such other professionals in the field of research of the D.Sc. thesis, as may be deemed necessary. This committee shall after scrutiny shall recommend or not recommend registration of candidate for D.Sc. Degree. Their recommendation will be forwarded to Vice-Chancellor for approval.

3.2 The committee will also record reasons for not recommending a particular application. An applicant can submit a modified application in the next admission session if he/she so desires based on the comments of the screening committee. Candidates whose application are recommended by the D.Sc. Application Screening Committee and approved by the Vice-Chancellor alone can go ahead and prepare the D.Sc. thesis for submission as per the guidelines given in clauses 5 and 6.

Application fee is non refundable and cannot be carried over for a subsequent session.

4. APPROVAL OF REGISTRATION AS CANDIDATE FOR D.Sc. DEGREE

4.1 Candidates for D.Sc. will be registered in either of the two sessions.

a) Session - I 1st October - applications received from 1st to 31st July , or

b) Session - II 1st April - applications received from 1st to 31st January

5. SUBJECT OF THESIS

5.1 The candidate shall state in his/her application the faculty/discipline on which he/she bases his/her qualification of the Ph.D. / DM/ M.Ch./ MD/MS/DNB/MDS. The subject of the thesis shall be one which relates to the branch of knowledge chosen for the Ph.D. DM/ M.Ch./ MD/MS/DNB/MDS Degree.

5.2 The Thesis submitted by the candidate for consideration for the award of the degree of Doctor of Science (D.Sc.) shall be substantially related to research work done after obtaining his/her Ph.D./ DM/ M.Ch./ MD/MS/DNB/MDS Degree.

5.3 The thesis submitted for the Ph.D. Degree or any other equivalent previous degree, shall not form part of the D.Sc. thesis. If the thesis submitted for D.Sc. is related to the thesis of Ph.D. or any other equivalent previous research degree, the findings shall be confined only to the review of literature in the D.Sc. thesis.

5.4 The proposed D.Sc. thesis shall essentially be a compendium of related publications of the post-doctoral/ Ph.D./ DM/ M.Ch./ MD/MS/DNB/MDS research of the candidate on the main theme chosen for the D.Sc. thesis on the basis of at least a minimum of 15 publications in indexed (Scopus, Web of Science, PubMed) journals or in UGC approved journals published after the award of the Ph.D./ DM/ M.Ch./ MD/MS/DNB/MDS Degree to the candidate. The candidate should be first or corresponding author in all these publications. The D.Sc. Thesis must be on one main theme, no candidate can submit a series of unconnected papers as a thesis. A series of published research papers can be submitted provided they form one connected theme with analytical chapter(s) to show as to how these publications are interconnected leading to new knowledge or additional knowledge to the chosen area of research which led to advancement of scientific knowledge and resulted in valuable contributions to the concerned branch of science. Additional papers can be submitted in support of the main thesis only on an undertaking that the candidate indicates in the preface the main work, or memoir, or thesis upon which he/she bases his/her application for the D.Sc. Degree.

6. SUBMISSION OF D.Sc. THESIS

6.1 The D.Sc. thesis must be submitted not earlier than 3 months and not later than 6 months from the date of registration.

6.2 He/she shall submit with his/her application, five hard copies and one soft copy of thesis and one soft copy of synopsis along with prescribed fee for submission of D.Sc. thesis.

6.3. Format of Thesis

The thesis shall be submitted in the format given below.

- Title page
- Certification from the Head of the Department/ constituent college/ institution
- Declaration
- Preface
- Literature review
- Compilation of Postdoctoral/ Ph.D./ DM/ M.Ch./ MD/MS/DNB/MDS research as reprints of publication with a narrative write up justifying the connectivity and continuity of research output through the publications.
- Analytical discussion to demonstrate the research contribution leading to new knowledge and/or additional knowledge to the chosen area.
- Additional publications if any, with explanatory note on indicating its relevant to the thesis
- Summary and conclusion
- Bibliography

6.4 Declaration

The thesis shall be accompanied by a declaration signed by the candidate that it has been composed by himself/herself independently and that the thesis has not previously formed the basis for the award of any degree such as Master's degree or Ph.D. Degree, Diploma, Associateship, Fellowship or other similar title.

6.5 Certification

The candidate shall obtain and include next to the declaration, a certificate from the Head of the University Department/ Constituent college/ Approved Institution certifying that the candidate has carried out the work of post-doctoral research independently and that he/she is a full-time Faculty Member/Researcher in that University Department/Constituent college/Institution.

6.6 Preface

The candidate shall indicate generally in a preface to his/her thesis, the sources from which his/her hypothesis of research is based on and the extent to which he/she has availed of the work of others, he/she shall review the current status of knowledge available in his/her chosen area of research on which the thesis has been built upon.

7. ACCEPTANCE OF THESIS FOR EVALUATION

7.1 Upon receipt of the application and thesis, the Controller of Examinations shall, in the first instance, arrange to refer the thesis to the Board of Research Studies to make suitable recommendations as to its acceptability for valuation.

7.2 The candidate shall make a presentation of his/her work as D.Sc. candidate to Board of Research Studies. The Chairman Board of Research Studies may co-opt such other member or members, who are specialists/experts in the subject of the thesis, as deemed fit for this purpose. Thereafter the Board of Research Studies shall make its recommendations as to the suitability or otherwise of the thesis for processing for evaluation based on its assessment as to its originality, etc.

7.3 When the thesis is not accepted for valuation, the thesis will be returned to the candidate and the D.Sc. thesis submission fee paid by him/her will be refunded (after deducting a processing fee of Rs.10,000/-).

8. EXAMINERS

8.1 If the thesis is recommended to be accepted for valuation, the Chairman of the Board of Research Studies will submit a panel of names of 12 experts in the experts in the field of research chosen by the candidate for the D.Sc. thesis for consideration. This panel shall include four experts from outside India, four experts from Northern/West/East India and four experts from South India for appointment as examiners for evaluating the thesis, to the Controller of Examinations by name in a cover marked "confidential".

8.2 If the panel of 12 names of external examiners suggested by the Board of Research Studies is found to be inadequate, the Vice-Chancellor shall be at liberty to obtain additional names of experts, in consultation with experts of his/her choice, in the concerned field.

9. VALUATION OF THESIS

9.1 The Thesis shall be referred by the Vice-Chancellor for valuation to a Board of Examiners consisting of three persons (one from South India, one from rest of India and one outside India) from the panel submitted by the Board of Research Studies.

9.2 The Board of Examiners who value the Thesis shall report on the merit of the candidate for the D.Sc. Degree as "Commended" "Highly commended" or "Not commended". If two of the three examiners do not commend the thesis, the thesis shall stand rejected. If two of the three examiners commend the thesis and one examiner

does not commend the thesis, the Vice-Chancellor may refer the same to a fourth examiner for his valuation. The fourth examiner shall be from the same category of examiner, who rejected the thesis (i.e., examiner from Southern state/Northern state/ rest of India/ abroad). If the fourth examiner commend the thesis, the candidate will be declared qualified for the award of the D.Sc. Degree. If the fourth examiner also does not commend the thesis, the candidate will be declared not qualified for the degree.

9.3 Provided that one of the two Indian examiners will be appointed as Convener of the Board of Examiners for adjudication of D.Sc. thesis, who will, on receipt of the individual reports from all the examiners forwarded by the Controller of Examinations prepare the consolidated report of the Board and forward it to the Controller of Examinations for placing before the Vice-Chancellor through Dean (Research). The reports of the Board of Examiners appointed by the Deemed University shall be placed before the Board of Management for declaring the candidate to be qualified/not qualified for the award of D.Sc. Degree.

9.4 A candidate who has been declared qualified, shall be awarded the Degree of Doctor of Science (D.Sc.) of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University).

10. RE-SUBMISSION OF THESIS

10.1 A candidate shall not be permitted to submit thesis for the award of D.Sc. Degree on more than two occasions.

10.2 A candidate whose thesis has not been commended in the first instance may be permitted to re-submit the Thesis a second time after a period of one year and after inclusion of additional publications on the subject, following the procedure prescribed under Regulation 6 supra. Ordinarily the re-submitted thesis will be referred to the same Board of Examiners which valued the thesis on earlier occasion.

11. SAVING CLAUSE

For anything not specifically covered by the above Regulations and questions arising out of these regulations, the same shall be referred to the Board of Research Studies, whose decision shall be final.

FEE STRUCTURE FOR D.Sc. PROGRAM

Sl. No.	Particulars	Fee (in Rs.)
1.	Application and D.Sc. Registration	50,000/-
2.	D.Sc. Thesis Submission	1,50,000/-
