

CAMPUS ENVIRONMENT DAY

7th March 2018

As per Smt.Kamalam Ramasamy Udayar's visionary, every year we observe the Campus Environment Day on her birthday, in order to preserve the greenery in the campus. Eco walk is one such event wherein all students, staff and faculties get together and do walking with full enthusiasm in commemoration of the day.

The day started with the brief speech on the theme "**CLEAN INDIA- LETS MAKE THE CHANGE**" by university officials. Mr. Kumar, safety Engineer, advised the youngsters to keep the Campus pollution and noise free [with vehicles going at speed less then 20km/hr].He also stressed the importance of conserving electricity. Mr.Premchand, NSS chief also stressed the importance of maintaining the campus. Subsequently, the eco walk began from Smt. Kamalam Ramasamy Udayar block and ended by planting the saplings in front of the University auditorium. Tiny tots from Kamalam Child care centre also joined the eco walk in the battery car. Children from Vidya Sudha also participated in the program.

Slogan, Poem and Essay competitions were held based on the theme both in English and Tamil.
